### **California, Monterey County Office of Education (“MCOE”) – for the Programs CalSave and CalBuy**

#### **1. Governing Law and Venue**

The laws of the State of California govern and prevail in the interpretation and administration of the Contract. California-specific Terms and Conditions prevail over any General Terms and Conditions. Every provision of law and clause required to be included in the Contract shall be deemed inserted, and the Contract shall be read and enforced as though included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction. If at any time during the term of the Contract, a change in applicable law, regulation, or legal authority occurs that permits actions or conduct that were previously prohibited under the Contract, then such actions or conduct shall be deemed authorized and permitted by the Contract as of the effective date of such legal change.

The venue for any litigation arising out of or related to the Contract shall be either the Superior Court in and for the County of Monterey, State of California, or the Federal District Court for the Northern District of California, San Jose Division.

#### **2. Authority**

For California, this IFB is issued under the authority of the elected Monterey County Superintendent of Schools administering MCOE located at 901 Blanco Circle, Salinas California, 93912. In this document, MCOE may be referred to as “Agency,” being distinct from other public entities, as identified in California Public Contract Code §20118 who may use this Contract who are hereinafter referred to as “Local Education Agencies (“LEAs”), regardless of their hierarchy or their political and organizational status as educational agencies or any other type of public agency or public entity.

Contracts awarded and Awarded Vendors will automatically be part of the CalSave program (or the alternatively named CalBuy program). CalSave is the cooperative purchasing program founded by MCOE and administered by the Epylon Corporation (“Epylon”) under an agreement with MCOE. Correspondence and communication related to the Contract award or administration of the program should be directed to Epylon, 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.

MCOE reserves the right to change agents or to change the contact’s name of existing Agent’s personnel administering the Contract. If Agent or Agent’s personnel changes, Awarded Vendors will be notified with new instructions.

#### **4. Transaction Fees**

As Transaction Fees are the funding source for the operation of the self-supporting CalSave cooperative purchasing program, Awarded Vendors are required to pay a Transaction Fee for all purchases by LEAs made through the awarded Contract. Transaction Fees will not be charged to or paid by the LEAs. Neither Awarded Vendor nor its designated Authorized Reseller(s) shall include any additional amount corresponding to the Transaction Fees in the awarded Contract prices. However, any LEA using this Contract where Transaction Fees are not permitted will pay a 2 percent fee for use of the Contract, imposed by MCOE on the authority of Public Contract Code §20118 and §20652, which allow MCOE to charge reasonable costs to the public corporation or agency for furnishing the services incidental to the purchase of items under Contract.

An award by MCOE under this solicitation will be for the purchase of equipment, materials, supplies, services or repairs to be furnished, sold, or leased in accordance with Public Contract Code §20111 and §20650 or other California code sections as may be allowed by law. Awards may include allowance for installation and assembly services incidental and necessary to the use of the equipment, materials, supplies, and repairs purchased or leased.

**10. Conformance to Public Contract Code §20118 and §20652**

All public agencies (LEAs) are authorized by law to purchase off a contract awarded by an agency that has itself gone to bid, including all K-12 school districts, community college districts, special districts, and JPAs, pursuant to Public Contract Code §20118 and §20652. Per these statutes, MCOE hereby declares its intent and authorization to make all contracts awarded under this Contract "piggybackable" by other agencies in the state. The Agency waives any right to receive payment from other California agencies making purchases off the awarded Contracts and those agencies should make payment directly to the Awarded Vendors. Any legislative changes to Public Contract Codes §20118 and §20652 during the term of the Contract(s) with Awarded Vendor(s) shall apply to the Contract(s) immediately when such changes become law.

**11. Piggyback and Standard School Supply & Equipment Authority**

MCOE declares that items, materials, personal property, equipment and licenses under Contract as a result of this Invitation to Bid will qualify as items to be included within its Standard School Supply and Equipment List. Because many County Offices of Education have banded together to support the CalSave program for the purpose of collectively creating both a standard School Supply & Equipment List and cooperative contracts, the items solicited and awarded through this bid may also constitute a portion of an official Standard School Supply and Equipment List for other participating County Offices of Education and County Superintendents of Schools. Purchases by other County Offices of Education and LEAs may be made, not only in accordance with Public Contract Code §20118 and §20652, but also in accordance with Education Code §38110 and §38112 dealing with cooperatives and Standard School Supplies & Equipment.

**12. Intended for Personal Property**

An award by the MCOE under this solicitation will be for the purchase of equipment, materials, supplies, services or repairs to be furnished, sold, or leased in accordance with Public Contract Code §20111 and §20650. Awards may include allowance for installation and assembly services incidental and necessary for use of the equipment, materials, supplies and repairs purchased or leased. When any services or repairs fall into a category of Public Works as defined in Public Contract Code §22002, an LEA may be required to conduct a separate bid for labor and services but may use this Contract for an unlimited dollar amount for any supplies, materials, equipment or personal property to be staged and ready for use in a local Public Works project.

**13. Public Works Limitations**

When Public Works services cost \$15,000 or more, an LEA, under most situations, must bid independently for the services and labor related to the public work, but may use this Contract for the contracted supplies, material or equipment related to the project. If circumstances allow, LEAs may also combine this competitively bid Contract with other alternative authorities for Public Works projects

as may be allowed by law, such as Public Contract Code §22030, Education Code §17406 or Government Code §1466. LEAs may consult with their own legal counsel to see if such statutes apply to their Public Works projects.

#### **14. Job Order and Unit Price Contracting**

Notwithstanding, Sections I.9 through I.13, the Awarded Vendors and any authorized resellers or subcontractors, may extend bid pricing from AEPA IFB 2026 to other agencies in California, including school districts, community colleges, state colleges, cities, and counties to the extent allowed by law under job-order-contracting or task-order-contracting statutes, including but not limited to Public Contracts Codes §20919.20 through §20919.33, §20665.20 through §20665.35 and §10710. Agency allows any school district, community college, college, or public agency to use this Contract and its competitively bid unit pricing as an alternative to other contracting procedures that the school district or agency is otherwise authorized or required by law to use. In using this Contract and pursuing a job-order-contracting project, a participating agency is obliged to conform to contracting steps spelled out in their respective code sections, college trustee policies, or local board policies.

#### **15. Start Date**

Once the award is made and the Contract has been signed by both parties, the Awarded Vendor is authorized to begin selling to eligible LEAs. MCOE will begin informing LEAs of the Contract after the Contract has been signed.

#### **16. Prices and Requests for Quotes**

The Awarded Vendor, in cooperation with MCOE's agent, must make provision for LEAs to quickly ascertain bid prices by posting prices, posting a link or contact for prices, distributing catalogs and price lists, responding to requests for quotations, or participating in eCommerce. (The 2 percent Transaction Fee on all sales is a cost of doing business to the Awarded Vendor and the requirement for the fee is publicly disclosed in these bid documents for the edification of all buying agencies and LEAs. Transaction fees should not appear as a line item on a quotation or on listed bid pricing. The final price quoted or displayed must be inclusive of the participation fee on all pricing and quotations.)

#### **17. Submission of Orders and Delivery**

After entering into an agreement with MCOE, an LEA electing to use this Contract will enter into a Separate Contract with the Awarded Vendor by way of a purchase order or separate contracting document ("Separate Contract"). Purchase orders will be issued by participating LEAs to Awarded Vendor.

LEAs will fax or mail purchase orders directly to the CalSave office fax at (866) 488-3729 unless other arrangements have been made and agreed to by the CalSave Administrator. LEAs may also use Epylon eCommerce software for transmission of purchase orders. Standard business practice is for all purchase orders received by 3:00 p.m. Pacific Time to be logged and forwarded to the appropriate Awarded Vendor on the same day received absent unusual circumstances. It is the responsibility of the Awarded Vendor to track any purchase order received directly from an LEA and to include that order on its quarterly reports. Awarded Vendor will deliver goods, services, and corresponding invoices directly to the participating LEAs and receive payments directly from the participating LEAs as per bid specifications.

#### **18. Other Agencies' Right to Purchase**

CalSave is a self-supporting contracting program led by MCOE. Contracts are made available to all California public school districts, private and nonpublic schools registered with a county office of education or state Department of Education, charter schools, community college districts, eligible state agencies, special districts, Joint Powers Authorities, counties, municipalities, and non-profits (e.g. PTAs buying on behalf of schools or government), and any Other Agency allowed by Public Contracts Code §20118. all referred to as LEAs.

Subject to the following Terms and Conditions, MCOE consents to LEAs purchasing items at the same unit price(s) or pricing formula under the Terms and Conditions of this Contract, as may be authorized by §20118 and §20652 of the Public Contract Code or other legal authority:

a) Any Other Agency (LEA) authorized by law to use this Contract for its own purchase(s) from the Awarded Vendor or their authorized resellers shall by default enter into a standard agreement with MCOE, which *inter alia* will include the terms, conditions, and information set forth in this paragraph a) and paragraphs b through i) below.

b) After entering into a standard agreement with MCOE, any Other Agency electing to use this Contract will enter into a Separate Contract or purchase order ("Separate Contract") with the Awarded Vendor. The Separate Contract is subject to and includes and/or incorporates all applicable terms of this Contract and the specific requirement that the Awarded Vendor comply with the provisions set forth in the paragraph regarding payment of the 2 percent Transaction Fee (or the non-conforming jurisdiction fee) to be collected by Epylon. MCOE will not be a party to any Separate Contract but will be considered a third-party beneficiary of such Separate Contract.

c) The Awarded Vendor understands and agrees that failure or refusal to comply with the provisions set forth in this agreement regarding payment of the 2 percent Transaction Fee in connection with any Separate Contract or any other use of this Contract by an "Other Agency" is grounds for cancellation of the Contract. The Awarded Vendor also understands and agrees that if the Contract is canceled for this or any other reason, MCOE may give notice of such cancellation by any other means appropriate to inform LEAs of that cancellation.

d) MCOE waives any right it may have to require any LEA using this Contract to draw its warrants for the purchase(s) in its favor and consents to each agency making such payment(s) directly to the Awarded Vendor.

e) Sales tax and freight/shipping charges included in the Contract apply to MCOE only. Additional sales tax and freight/shipping charges may be required on purchases by any LEA and are outside the scope of this Contract unless specifically addressed elsewhere in Part A or Part B of the Terms and Conditions.

f) This Contract and any Separate Contract are for the purchase of the items covered by the Contract. An LEA may, however, exercise its

authority under Education Code §17597 or 81645 or other legal authority to sell and lease back any item owned, or to be owned, by it pursuant to any Separate Contract. The Awarded Vendor agrees to take any and all actions requested by any LEA that are necessary to affect any such transfer, by way of example only, accepting payment under the Separate Contract from any third party to whom any such transfer is made.

g) The Awarded Vendor and any LEA using this Contract agree that the MCOE makes no representation that use of this Contract by any Other Agency is, in fact, authorized by law. In this regard, the MCOE suggests that, at a minimum, Awarded Vendor and any LEA considering such use consult with their own legal counsels before doing so.

h) The Awarded Vendor and any LEA using this Contract agree to defend, indemnify and hold MCOE, the Monterey County Superintendent of Schools, and the Monterey County Board of Education and its members, as well as all of their respective officers, employees, and agents, free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any such use.

i) MCOE reserves the right to cancel this Contract, in whole or in part, due to failure by the Awarded Vendor to carry out any obligation, term or condition of the Contract. MCOE will issue written notice of cancellation for acting or failing to act in any of the following:

a) The Vendor fails to adequately perform the services set forth in the Contract

- Step 2 - Issue a letter of intent to cancel the Contract, if the problem(s) is not resolved by a given date.
- Step 3 - Issue a letter to cancel the Contract.
- Upon receipt of the written letter of concern, the Vendor shall have ten (10) business days to provide a satisfactory response to MCOE. Failure on the part of the Vendor to address adequately all issues of concern may result in Contract cancellation.

#### **19. Conversion to a California Multiple Awards Schedule (CMAS) Contract**

Because of its multiple-award provisions, this Contract may qualify for adoption as a California Multiple-Award Schedule contract. If the Awarded Vendor uses this Contract for the purpose of obtaining a separate CMAS contract from the State of California, the Awarded Vendor is responsible for paying and agrees to pay both the CMAS fee and the 2 percent Transaction Fee described in Section 1.4 for all orders submitted under the authority of the CMAS program based on this contract. If an Authorized Reseller uses this Contract to apply for a CMAS contract, the Authorized Reseller must enter into a written agreement with Awarded Vendor and MCOE agreeing to be responsible for paying the CMAS Fee and the 2 percent Transaction Fee, unless in that same written agreement Awarded Vendor agrees to pay such fees. In exchange for this fee, the Vendor (or if applicable, the Designated Reseller) is given a license to use and duplicate MCOE/AEPA Terms and Conditions for the purpose of applying for a CMAS contract. Also, CalSave or CalBuy will post pricing allowing prospective buyers to check for pricing that is compliant with the MCOE Contract and CMAS requirements. Awarded Vendor (or Authorized Reseller) must comply with MCOE's quarterly reporting requirements. Any report to the Department of General Services for CMAS-authorized purchases must simultaneously be reported to CalSave.

**20. Other Agencies, Constitutionally Independent Agencies, & Out-of-State Agencies**

Other agencies and out-of-state agencies and LEAs may use the Contract as allowed by California Government Code §6502, which says, "If authorized by their legislative or other governing bodies, two or more public agencies by agreement may jointly exercise any power common to the contracting parties, even though one or more of the contracting agencies may be located outside this state. It shall not be necessary that any power common to the contracting parties be exercisable by each such contracting party with respect to the geographical area in which such power is to be jointly exercised. For purposes of this section, two or more public agencies having the power to conduct agricultural, livestock, industrial, cultural, or other fairs or exhibitions shall be deemed to have common power with respect to any such fair or exhibition conducted by any one or more of such public agencies or by an entity created pursuant to a joint powers agreement entered into by such public agencies."

### 3. COLORADO-Colorado BOCES Association

#### Colorado BOCES Association (CBA) prius

##### A. Additional Agency Terms and Conditions

**Advertising:** CBA will require a marketing flyer, in electronic format, and timely updates from each vendor promoting the contract and CBA/AEPA relationship. CBA will assist in the development of the marketing flyer and other appropriate materials which will include logos representing the vendor/CBA/AEPA. This flyer will be for distribution and dissemination to all qualified customers through the CBA website and other appropriate and available methods.

**Sales to Qualified Customers:** Boards of Cooperative Educational Services (BOCES) in Colorado are legislatively created cooperative organizations directed by Colorado State Statute 22-105 to serve all qualified agencies in a cooperative manner. BOCES are governed by publicly elected officials and by state and federal laws. No agency is obligated to use these services and contracts, but they find the benefits of low prices and the satisfied bidding process most advantageous. Qualified agencies in Colorado include all public or private educational institutions, K-12 and higher education, all non-profit organizations, and all state, county or local governmental agencies. CBA requires that all participating vendors offer the Agency contract opportunities to all qualified agencies.

**B. Procedure for Processing Orders:** Once the award is made to the vendor.

- CBA will inform all qualified agencies of the contract by:
  - I. Including the contract in the agency database that is available on the CBA website
  - II. Announcing the award through normal communication channels, CBA member presentations as well as regular electronic and direct mail communications.
  - III. Offering the opportunity to the vendor to publish their marketing information on the CBA website link to cooperative purchasing opportunities.
- A listing of CBA members, institutional names, contact names, addresses and phone numbers is available to the vendors through the CBA website. The customers have the right to contact the vendors directly. **Note: CBA requires the awarded vendors to take ownership and actively promote the contract in cooperation with CBA to all members and qualified customers.**
- When the customer identifies a desired product or service as available through the CBA/AEPA contract and agrees on price as presented to the customer by the awarded CBA/AEPA vendor, the customer then issues to the vendor a purchase order for that item or service.
- The awarded price must include an additional two percent (2%) administrative fee in the total cost (not as a separate line item), based on the total cost of goods and services including installation. This fee is to be forwarded by the vendor to CBA after the sale and payment is made to the vendor. Payment shall be made to CBA on a quarterly basis along with the complete sale report as specified in the general terms and conditions.
- The sale and transaction may continue without delay or anticipation of the CBA denial of said transaction.
- **The administrative fee percentage (2%) is based on the total sale of goods and services including installation and must be included in the original cost quoted to the customer.** In the event of a lease, the total administrative fee for the value of goods and services shall be paid to CBA by the vendor at the front end of the lease.
- Vendor makes all deliveries and installation of products and services. CBA does not warehouse items nor provide services.

#### 4. CONNECTICUT-Capitol Region Education Council (CREC)

### **Connecticut-Capitol Region Education Council (CREC)**

#### **A. ADDITIONAL MEMBER AGENCY GENERAL TERMS AND CONDITIONS**

**Affirmative Action** - The Contractor must have an employment policy that there shall be no discrimination against anyone on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, physical disability or sexual orientation in the hiring, upgrading, demotions, recruitment, termination and selections for training, in any manner prohibited by the laws of the United States or of the State of Connecticut. The Contractor further agrees to be an "affirmative action-equal opportunity employer."

**Applicability of Contract Provisions to Connecticut Participants** - The Capitol Region Education Council (CREC) is the AEPMA Member Agency. Any entity that uses the contract awarded by CREC under this document is referred to as a "Participant." The bidder that is awarded the contract by CREC is referred to as the "Contractor."

#### **Conflict of Interest**

The Contractor shall disclose any relationship with a CREC employee that would not be considered an "arms-length" or independent transaction, as described below. This disclosure must be made in writing to CREC for an evaluation. CREC will respond to this disclosure in writing.

A CREC employee (including independent contractors for purposes of this definition) placing an order or recommending a vendor must disclose any relationship with that vendor which would not be considered an "arms-length" or independent transaction. This disclosure must be made in writing to CREC for an evaluation. CREC will respond to this disclosure in writing.

For a transaction to be considered "arms-length" or "independent", a CREC employee should not be influenced, dependent upon, guided or controlled by a vendor into choosing that vendor, or item to purchase; nor should it appear to a third party that a CREC employee made a purchasing decision which appears to be based upon a personal relationship between the CREC employee and vendor.

The following are examples when a transaction is NOT considered arms-length or independent: (1) when there exists a personal relationship between a CREC employee and a vendor, (2) when there exists the potential for a personal benefit to a CREC employee, or (3) the parties to a business deal are dependent upon one another for "something" other than the purchase itself.

In addition, the Contractor shall, if given a copy of the potential Participant's conflict of interest policy, follow the process in that policy, or otherwise disclose to a potential Participant any relationship that would not be considered an "arms-length" or independent transaction with that Participant, as described above. This disclosure must be made in writing to the chief official (for example, the Superintendent at a board of education) at the potential Participant.

Determination of the existence of a conflict of interest does not prohibit CREC and/or a Participant from entering into the contract and purchase order, respectively.

***Financing Arrangements - Any financing arrangements (including lease purchasing arrangements) will be made directly between the Contractor and a Participant. Financing arrangements may be subject to additional laws, rules and regulations, terms and conditions not described in this document and are subject to separate negotiation with each Participant that is interested in such an arrangement. Each Participant should seek its own legal advice prior to entering into a financing arrangement. CREC must receive a report annually***

***summarizing the executed lease purchases along with the summary of the customer purchases. CREC will not collect lease payments or be involved in the terms and conditions of the lease. All lease arrangements are between the Contractor and the Participant only.***

**Freedom of Information Act** - The Contractor acknowledges that CREC and some Participants are subject to the Freedom of Information Act, Connecticut General Statutes Sections 1-200 et seq., and submitted to CREC and/or such Participants may be made available to the public under the provisions of the Freedom of Information Act.

**Incorporation of Bid Documents** - The bid documents, including all appendices executed by Contractor that have been accepted by CREC (the "Bid") are specifically incorporated into this Contract.

**Independent Contractor** - The Contractor shall not be held or deemed in any way to be the agent or employee of CREC and/or a Participant. It is the intention of the parties that the Contractor shall be and is to be considered an independent contractor.

**Marketing and Advertising** - Contractor agrees to provide CREC with a copy or proof sheet of all advertisements, customer communications or promotional material for prior approval.

**Modification to Bid Language in the AEPA Invitation for Bid** - The Bidder by submitting its bid hereby declares that this Bid is made without any connection with any other person or persons making any proposal for the same items, that it is in all respects fair and without collusion or fraud and that no person acting for or employed by CREC or a Participant is directly or indirectly interested in the proposal or in the goods or services to which it relates, or in any portion of the profits therefrom.

State law requires a minimum of twenty-five (25%) percent of the state-funded portion of the contract for award to subcontractors holding current certification from the Connecticut Department of Administrative Services (“DAS”) under the provisions of CONN. #### **D. PROCEDURES FOR PROCESSING ORDERS**

- A. Purchase orders will not be accepted or processed by CREC. All business will be contracted directly with the Participant, which will issue a purchase order and provide payment for the applicable good or service directly to the Contractor.
- B. To the extent not otherwise described in this document, once a purchase order is issued by a Participant to a Contractor, all of the provisions of the contract shall benefit and be enforceable by such Participant, unless specifically identified as applying to CREC only.

## 5. FLORIDA-Panhandle Area Education Consortium

### A. Additional Agency Terms and Conditions

Vendor will designate to the Panhandle Area Educational Consortium Florida Buy, one individual who will represent them during the agreement period. This contact person will correspond with each ordering member for technical assistance, problems, or questions that may arise, including instructions if different contacts for different geographical areas are needed. This information will be distributed to all school districts upon award of this bid. Vendors may use this contract to sell products or services in addition to school districts to any government agency, non-profit organizations or institutions. Vendor agrees to abide by all federal, state and local laws and regulations. It is the responsibility of the Vendor to determine applicability and requirements of any such laws and to abide by them. All terms and conditions may be modified and revised by PAEC Florida Buy with the written consent of both PAEC Florida Buy and the Awardee. PAEC Florida Buy, at its discretion, may offer the use of the awarded agreement to governmental entities such as state agency purchasing programs, to extend the use of the contract to eligible users. This option will be referred to as an Interlocal Agreement. Under such conditions, the participating agency may, with written consent from the Awardee, modify and revise the terms and conditions of the master agreement. Other state and public agency purchasing program agreements may require additional administrative fees, associated with sales, to be paid by the Awardee for the management of the contract. The Awardee will be notified in writing and will have the option of accepting or rejecting the Interlocal Agreement program fees. No right or interest in the Contract shall be assigned or transferred by the Contractor without the prior written consent of the PAEC Florida Buy program. No delegation of any duty of the Contractor shall be assigned without prior written permission of PAEC Florida Buy. If the original Vendor/Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. PAEC Florida Buy reserves the right to reject the acquiring person or entity as a Vendor/Contractor. A change of name agreement will not change the contractual obligations of the Vendor/Contractor. The Awardee, may, upon entering negotiations with qualified buyers, amend their prices to offer volume discounts below the lowest unit rates established in the pricing portion of this agreement. The Awardee(s) agrees to sign a contract acknowledgement form with the Florida Buy State Cooperative Purchasing and pay an administrative fee for sales and services generated from this contract. This fee is not to be added to the invoice of any entity choosing to use this agreement and will be equal to 2% of the invoice and be paid to Florida Buy State Cooperative Purchasing on a quarterly basis. The Awardee will be provided with a template for reporting sales, and it will include the entity using the contract, the date of service, and the savings to the school district and other eligible users. PAEC was established to provide easily accessible information for our member and participating public school districts and the communities we serve. Since the creation of PAEC in 1967, our school districts have benefitted from shared services made available through leading edge technology. The plans and specifications shall indicate if the project will be awarded by base bid or base bid plus selected alternates and:

(c) Governmental entities are authorized to utilize any construction delivery method, provided that all public works construction contracts subject to the requirements of this chapter that:

(1) Place the bidder or offeror at risk for construction; and

(2) Require labor or building materials in the execution of the contract shall be awarded on the basis of competitive sealed bidding or competitive sealed proposals. Governmental entities shall have the authority to reject all bids or proposals or any bid or proposal that is nonresponsive or not responsible and to waive technicalities and informalities.

History Code 1981, § 36-91-20, enacted by Ga. L. 2000, p. 498, § 1; Ga. L. 2001, p. 820, § 12; Ga. L. 2007, p. 640, § 2/SB 146.

**The following provisions are applicable to State offices, agencies, departments boards, bureaus, commissions, institutions, agencies, boards, commissions, and other entities of the state procuring goods and/or services pursuant to O.C.G.A. § 50-5-50 et seq. ("State Entities").**

Please be advised that State Entities are unable to agree to certain revisions to the standard state contract. Revisions that would provide an unfair competitive advantage, including but not limited to those that materially change the terms or the requirements of the solicitation, will be rejected by the State. Please note that this guidance is not all-inclusive, and State Entities reserve the right to negotiate all terms and conditions. If a supplier and a State Entity are unable to come to mutually agreeable terms, the supplier will not be awarded a contract.

### **1. Indemnification and/or hold harmless.**

As provided under O.C.G.A § 50-5-64.1(a)(1)(A), contracts shall not contain a term that requires State Entities to defend, indemnify, or hold harmless another person (the term "person" also includes "corporations," see O.C.G.A. § 1-3-3 and O.C.G.A. § 1-2-1). Any such provision in a contract shall be deemed void and the contract shall be otherwise enforceable as if it did not contain such term. Moreover, State Entities are prohibited by the Georgia Constitution from agreeing to any such provision as they have been determined to violate the prohibition against gratuities, , pledges of the State's credit, and an unauthorized waiver of sovereign immunity. (Ga. Const. Art. VII, § IV, ¶ VIII; Ga. Const. Art. III. Sec. VI, Par. VI; 1980 Op. Att'y Gen. 80-67; 1974 Op. Att'y Gen. 74-115; 1980 Op. Att'y Gen. 80-67.)

## **2. The Georgia Attorney General Represents the State of Georgia.**

Pursuant to Ga. Const Art. V, § III, ¶ IV and O.C.G.A. § 45-15-3, the Attorney General represents the state of Georgia. Additionally, O.C.G.A § 50-5-64.1(a)(2)(A) provides that contracts shall not contain a term that provides for a person other than the Attorney General to serve as legal counsel for the state or for any agency, authority, board, bureau, commission, department, institution, or any entity thereof. Any such provision in a contract shall be deemed void and the contract shall be otherwise enforceable as if it did not contain such term.

## **3. Warranty/Guarantee.**

Any provision that requires a State Entity to unconditionally assure or promise a certain result or outcome. The Attorney General has advised that warranty provisions requiring State Entities to provide a warranty violate the prohibition against pledges of the State's credit and the prohibition against gratuities by the State. The reason is that resources may have to be expended to satisfy such warranty or guarantee.

## **4. Venue.**

As provided under O.C.G.A § 50-5-64.1(a)(2)(B), contracts shall not contain a term that provides for a venue for any action or dispute other than the Superior Court of Fulton County, Georgia. Any such provision in a contract shall be deemed void and the contract shall otherwise enforceable as if it did not contain such term. See also O.C.G.A. § 50- 21-1.

## **5. Governing Law.**

As provided under O.C.G.A § 50-5-64.1(a)(2)(C), contracts shall not contain a term that provides for the contract to be construed in accordance with the laws of another state. Any such provision in a contract shall be deemed void and the contract shall be otherwise enforceable as if it did not contain such term.

## **6. Requirements that the Department pay taxes, interest, penalty fees or cancellation charges, litigation costs, or attorney's fees.**

- **ATTORNEY'S FEES/COSTS.** State Entities will not agree to pay attorney's fees or costs. The rationale is that such a payment would pledge the credit of the state in violation of Ga. Const. Art. VII, § IV, ¶ VIII and would be a violation of the gratuities clause of the Georgia Constitution. See Ga. Const. Art. III, § VI, ¶ VI.
- **DAMAGES.** The inclusion of indirect, consequential, or incidental damages payable by a State Entity are generally not acceptable.
- **INTEREST.** Except as otherwise explicitly permitted by law, the Department and State Entities will not agree to pay interest. The Attorney General has advised the Department that payment of interest would pledge the credit of the state, be prohibited by the gratuities clause of the constitution, and that the Department lacks statutory authority to agree to the payment of interest.
- **LATE PAYMENT/CANCELLATION CHARGES.** State Entities do not agree to pay late payment charges. This policy stems from an opinion of the Attorney General that late payment charges are in the nature of penalty/gratuity which the State is constitutionally prohibited from paying. Agreeing to pay such charges would also pledge the credit of the state in violation of the constitution. 1974 Op. Att'y Gen. 74-115.
- **TAXES.** The State is exempt from most taxes and generally will not agree to contract language which requires the payment of taxes. State Entities will not agree to reimburse the supplier for the payment of taxes. However, State Entities will agree to language that states "the State Entity will pay taxes lawfully imposed upon it."

## **7. Binding arbitration or waiver of jury trial.**

As provided under O.C.G.A § 50-5-64.1(a)(2)(D), contracts shall not contain a term that provides for binding arbitration. Any such provision in a contract shall be deemed void and the contract shall be otherwise enforceable as if it did not contain such term. Further, State Entities do not maintain the authority to agree to waiver of a jury trial, as State law provides that the Attorney General has exclusive authority and control over all matters of litigation or potential litigation involving State agencies. Pre-litigation contractual waivers of jury trial are not enforceable in Georgia. Bank South, N.A. v. Howard, 264 Ga. 339 (1994).

**8. Any provision requiring a State Entity to be bound by terms and conditions that are unknown at the time of signing the agreement.**

As provided under O.C.G.A § 50-5-64.1(a)(1)(B), contracts shall not contain a term that requires State Entities to be bound by terms and conditions that are unknown at the time of signing such contract or which may be unilaterally changed. Any such provision in a contract shall be deemed void and the contract shall be otherwise enforceable as if it did not contain such term.

State Entities will not agree to contract provisions that incorporate additional obligations by references to terms and conditions located at a specific web address, as those provisions may be unilaterally changed.

**9. Best efforts provisions that require the expenditure of any funds or efforts necessary to meet the obligations of a contract, even if such efforts exceed the dollar amount of the contract.**

State Entities will not agree to best efforts provisions that require the expenditure of any funds or efforts necessary to meet the obligations of a contract which exceed the dollar amount of the contract. Similar to warranties and/or guarantees, such provisions violate the prohibition against pledging the State's credit. (Refer to discussion of warranties above for more information).

**10. Contractual provisions which require a State Entity to accept the risk of loss of items or goods during delivery.**

As a general rule, State Entities do not accept risk of loss until receipt of the items or goods.

**11. Contractual clauses that require a State Entity to purchase insurance policies.**

State law provides for the Department of Administrative Services to procure insurance for State entities. State Entities are covered by the Tort Claims Act and the State of Georgia Broad Form Insurance that is administered by the Department of Administrative Services. O.C.G.A. § 50-21-34(a) provides that tort claims against the state may only be paid from insurance provided under the Tort Claims Act. DOAS will not name an additional insured under these policies.

**12. No Automatic renewals for agreements obligating state appropriated funds.**

As provided under O.C.G.A § 50-5-64.1(a)(2)(E), contracts shall not contain a term that provides for an automatic renewal such that state funds are or would be obligated in subsequent fiscal years. Any such provision in a contract shall be deemed void and the contract shall be otherwise enforceable as if it did not contain such term. Automatic renewals also pledge the credit of the state in violation of the constitution. 1974 Op. Att'y Gen. 74-115.

### **13. Multiyear Lease, Lease Purchase, and Purchase Contracts.**

Pursuant to O.C.G.A. § 50-5-64, Multiyear agreements must meet the following requirements:

(1) unless (a) all funds required for the contract are maintained by the State Entity in hand at the time of contract execution (meaning that the State Entity has all funds necessary to pay the multiyear obligations and no additional appropriation or revenue are necessary for the State Entity to meet its contractual payment obligations) and (b) all such funds are obligated via State Entity accounting up front, typically via Purchase Order Incumbrance: See 1980 Att’y Gen Op. 80-163

(2) Standard form – O.C.G.A. § 50-5-64(a) requires that leases and lease purchase agreements shall only be executed on a standard form developed by DOAS.

(3) Termination of Contract – Contract terminates absolutely at the close of the fiscal year in which it is executed and the fiscal year for any renewals. O.C.G.A. § 50-5-64(a)(1).

(4) No Automatic Renewals - Contract terminates at the end of each fiscal year and can only be renewed by positive action taken by the agency. O.C.G.A. § 50-5-64(a)(2).

(5) Funding – Contract terminates immediately when funding is no longer available. Agency makes determination as to whether funds are unavailable at its sole discretion. O.C.G.A. § 50-5-64(a)(3).

(6) Listing of Obligation – Contract must list total obligation for the fiscal year and any obligations for renewals. O.C.G.A. § 50-5-64(a)(4).

(7) Title - Title to any goods or equipment remain with the supplier until fully paid by the agency. O.C.G.A. § 50-5-64(a)(5). However, for lease purchases agreements, O.C.G.A. § 50-5-65(b) allows agencies to accept title upon execution of the DOAS standard form. Agencies can also transfer title back to the vendor if the agreement is not fully consummated.

(8) Interest – Lease Agreement can provide for the payment of interest. O.C.G.A. § 50-5-64(d).

### **14. No liens, security interest, or UCC Filings.**

The execution or levy against state funds or property is not permitted as there is no waiver of sovereign immunity for such actions in the Constitution or by the General Assembly, security interests, or UCC filings. Agencies only have powers conferred by the legislature. State agencies do not have the authority to grant security interests in public property. Dekalb County v. J&A Pipeline Co., 263 Ga. 645 (1993).

### **15. Unconditional contract payments.**

Agencies generally cannot agree to unconditional payments. Any assignment of the Supplier’s right to receive payment must be subject to all of the Agency’s defenses. As a practical matter, if a dispute arises, the agency needs to be able to resolve the dispute. This is particularly problematic in financing agreements, as a dispute may arise between the vendor providing the equipment and the agency and yet the Agreement requires the agency to continue paying the financing company. This may constitute as a gratuity, which is prohibited under the State Constitution. See Ga. Const. Art. III. § VI, ¶ VI). Additionally, State Entities are prohibited from incurring debt except as provided by law. Ga. Const. Art. VII, Sec. IV, Par. I; Ga. Const. Art. VII, Sec. IV, Par. VIII; O.C.G.A. § 50-17-24.

### **16. No upfront payments for goods/services.**

State Entities are generally not authorized to make payment prior to receipt of goods/services. (Pursuant to the State of Georgia Accounting Procedures Manual, payables for normal operating expenditures should be recognized when the goods and services have been received. Accounting Manual Reference: Section: Vendor Management; Subsection: Payment Method).

### **17. Drug Free Workplace.**

Pursuant to O.C.G.A. § 50-24-3 and § 50-24-4, the State Entities must include in contracts with contractors as defined in O.C.G.A. § 50-24-2 specific certifications regarding the provision of a drug free workplace and prohibition against engaging in certain activities relating to unlawful drug-related activities.

#### **18. Confidentiality.**

As provided under O.C.G.A § 50-5-64.1(a)(3), contracts shall not contain a term that is inconsistent with the provisions of Article 4 of Chapter 18 of Title 50, relating to open records. Any such provision in a contract shall be deemed void and the contract shall be otherwise enforceable as if it did not contain such term.

Any confidentiality provisions in a contract must be subject to the Georgia Open Records Act, O.C.G.A. § 50-18-70 et seq., as State Entities are public agencies of the State of Georgia and subject to other requirements of law or court order. Additionally, the Georgia Department of Administrative Services generally considers pricing information to be subject to public disclosure. See *State Rd. & Tollway Auth. v. Elec. Transaction Consultants Corp.*, 306 Ga. App. 487 (2010).

#### **19. No Boycott of Israel.**

Pursuant to O.C.G.A. § 50-5-85, the state shall not enter into a contract related to construction or the provision of services, supplies, or information technology with a total value of \$100,000 or greater with a company that employs more than five persons, unless the contract includes a written certification that such company is not currently engaged in, and agrees for the duration of the contract, not to engage in a boycott of Israel.

#### **20. Joint Ownership.**

In general, the State is constitutionally prohibited from becoming a joint owner or stockholder in or with any individual, company, association, or corporation. Therefore, State Entities are generally prohibited from agreeing to joint ownership of intellectual property. See Ga. Const. Art. VII § IV, ¶ VIII.

#### **21. E-Verify.**

Pursuant to O.C.G.A. § 13-10-91, a public employer shall not enter into a contract for the performance of services unless the contractor registers and participates in the federal work authorization program. If a supplier is providing services under a contract with a total compensation amount of \$2,500 or greater, (even if such services will be performed outside of the State of Georgia), DOAS requires a notarized affidavit from the supplier attesting to the following:

- (A) The affiant has registered with, is authorized to use, and uses the federal work authorization program;
- (B) The user identification number and date of authorization for the affiant;
- (C) The affiant will continue to use the federal work authorization program throughout the contract period; and
- (D) The affiant will contract for the physical performance of services in satisfaction of such contract only with subcontractors who present an affidavit to the contractor with the same information required by subparagraphs (A), (B), and (C) of this paragraph.

Additional information regarding the State's E-verify requirements can be found at: <http://www.audits.ga.gov/NALGAD/IllegalImmigrationReformandEnforcementAct.html>

## **22. Benefits Based Funded Contracts (aka Cost Savings Contracts).**

Benefits Based Funding Contracts, also referred to as “Cost Savings Contracts” are contracts where private companies assume financial risk for the success of a project and are then paid by the State Entity from the calculated savings or revenue gains generated from the project. While these projects may be appealing because they are designed to fund improvement initiatives without placing an additional financial burden on the State Entity, there are legal constraints in implementing these types of contracts. For example, unless specifically authorized in the Constitution, the State’s credit cannot be pledged. Any liability which is not required to be discharged by money already in the treasury, or by taxes to be levied during the year in which the contract under which the liability arises was made, is a debt within the meaning of the constitution. A contract violating the Constitutional prohibition on pledging the State’s credit is void.

Additionally, Public officials may not charge fees or collect money except as authorized by law. Except under limited circumstances, monies collected by a state agency must be deposited into the general fund of the state treasury.

Money may be withdrawn from the treasury only by appropriation made by law. Appropriations may not be “earmarked” for any special purpose and all revenues not contractually obligated lapse at the end of the year.

O.C.G.A. § 50-5-77 was implemented to increase flexibility in procuring benefits based funded contracts. In the event that the provisions of O.C.G.A. § 50-5-77 cannot be met for this type of contract, the Department of Law should be consulted for further guidance.

Contracts with GRREC shall include the provision granting GRREC employees the right to access to the Contractor's records.

**Vendor Contact:** Vendor will designate to GRREC one individual who will represent them to Kentucky Bidding Cooperative members during the agreement period. This contact person will correspond with each ordering member for technical assistance, problems, or questions that may arise. Include instructions if different contacts for different geographical areas are needed; this information will be distributed to Kentucky Bidding Cooperative members upon award of this bid.

The following Federal Clauses are required as a part of KY bid documents:

1. CLEAN AIR/CLEAN WATER
  - A. Vendor Partner agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251 et seq). Vendor Partner agrees to report each violation to the USDA and the appropriate EPA Regional Office.
  - B. Vendor Partner agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Vendor Partner agrees to report each violation to the USDA and the appropriate EPA Regional Office.

2. SUSPENSION AND DEBARMENT

Vendor Partner understands that a contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." By signing and submitting its bid or proposal, the bidder or proposer certifies as follows: The certification in this clause is a material representation of fact relied upon by GRREC. If it is later determined that Vendor Partner knowingly rendered an erroneous certification, in addition to remedies available to GRREC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Vendor Partner further agrees to include a provision requiring such compliance in its lower tier covered transactions.

3. LOBBYING

"Domestic Commodity or Product" are defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States. "Substantial" means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards School Food Authorities ("SFAs") must comply with when purchasing commercial food products served in the school meals programs.

Buy American: AEPA Member Agencies or Participating Entities participating in the federal school meal programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially (at least 51 percent) using agricultural commodities that are produced in the US.

Federal regulations require that all foods purchased for Child Nutrition Program be of domestic origin to the maximum extent practicable. While rare, two (2) exceptions may exist when: the product is not produced or Manufactured in the US in sufficient, reasonable and available quantities of a satisfactory quality, such as bananas and pineapple; and competitive proposals reveal the cost of a domestic product is significantly higher than a non- domestic product.

ALL products that are normally purchased by Vendor Partner as non-domestic and proposed as part of this contract must be identified with the country of origin. Vendor Partner shall outline their procedures to notify GRREC when products are purchased as non-domestic.

Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by GRREC, prior to the delivery of the product to the AEPA Member Agency or Participating Entities. Any non-domestic product delivered to the AEPA Member Agencies or Participating Entities, without the prior, written approval of GRREC will be rejected.

- B. Contractor will separately identify for each cost submitted for payment to the school food authority the amount

of that cost that is allowable (can be paid from the nonprofit school food service account) and the amount that is unallowable (cannot be paid from the nonprofit school food service account); or (B) Contractor will exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification;

### **C. Procedure for Processing Orders**

Once the award is made to the Contractor/vendor, GRREC and Kentucky's other cooperatives will inform their members (school districts and other entities) of the contract by: 1) including the contract in the Current Bids section on their websites and 2) publishing the contract information in catalogs disseminated to all members. A list of members, contact names, addresses and phone numbers is made available to the Contractor. At this point the Contractor/vendor contacts the members and members may contact the Contractor/vendor. When the member identifies a product or service, it will issue a purchase order for that item to the vendor. The vendor's price will include a two percent (2%) administrative fee that the vendor will collect from the member and remit to GRREC on a quarterly basis. Municipal and county governments, and other governmental, quasi-governmental, or nonprofit organization price will reflect a two percent (2%) administrative fee. On the occasion that an AEPA contract awarded by Kentucky is utilized by public school and public non-school entities in other states, purchases in these instances will also

reflect a two percent (2%) administrative fee. The vendor will also compile and provide to GRREC a quarterly report showing all purchases made by Kentucky members (with specific detail as to what purchases were made by which members) under this contract. Further, if no purchases are made in any given quarter, the Vendor shall remit a "No Activities" statement to GRREC for that quarter. The vendor will also produce and provide to GRREC an annual summary report for all purchases made under this contract for a period of beginning with the award of the contract through December 31st and all consecutive annual periods if contract is extended. The vendor will make all administrative fee payments to the GRREC by the 15th of the month following the end of the quarter (i. e. April 15th, July 15th, October 15th and January 15th). All checks are to be made payable to GRREC and sent to GRREC, 230 Technology Way, Bowling Green, KY 42101 and Attention: Bids Coordinator. ## 13. MICHIGAN-Oakland Schools

### ***Michigan, Oakland Schools, (OS) Revised May 13, 2025***

#### **A. Additional Member Agency General Terms and Conditions that apply for all categories:**

##### **1. Conflict of Interest**

Contractor shall disclose in writing to Buyer any conflicts of interest with Board members, administrators, and or employees of any Participating Entity (as defined below). A conflict of interest may include, but is not limited to, a financial ownership interest in, or employment with Contractor or Subcontractor by a Participating Entity' Board member, administrator, or employee or their family member. A "family member" means a person's spouse or spouse's sibling or child; a person's sibling or sibling's spouse or child; a person's child or child's spouse; or a person's parent or parent's spouse, and includes these relationships as created by adoption or marriage. Determination of the existence of a conflict of interest does not prohibit the Participating Entity from entering into a contract with the Contractor (MCL 380.634; MCL 15.322 et seq).

##### **2. Iran Economic Sanctions Act**

Public Act 517 of 2012, commonly known as the "Iran Economic Sanctions Act" (the "Act"). The Act provides that beginning April 1, 2013, an "Iran Linked Business" is not eligible to submit a bid on a request for proposal with a "public entity" (OS). The Act also requires that a person that submits a proposal in response to an OS request for proposal must certify to the public entity that it is not an Iran Linked Business. This requirement applies to all requests for proposals issued by OS, and not just to construction projects.

The Act defines an Iran Linked Business as:

- a. A person engaging in investment activities in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers or products used to construct or maintain pipelines used to transport oil or liquefied natural gas for the energy sector of Iran;
- b. A financial institution that extends credit to another person, if that person will use the credit to engage in investment activities in the energy sector of Iran.

If the OS determines, using credible information available to the public, that a person or entity has submitted a false certification, OS must provide written notice to the person or entity of its determination and of its intent not to enter into or renew the contract. The notice must include information on how to contest the determination. The notice must also specify that the individual or entity may become eligible for future contracts with the public entity if the activities that caused it to be an Iran Linked Business are ceased.

##### **3. Hazardous Materials**

If any hazardous chemicals are supplied under a contract/purchase order arising out of this solicitation, a Material Safety Data Sheet (MSDS) shall accompany the delivery of any hazardous chemicals supplied by the Contractor. All MSDS sheets shall be sent to the attention of the Participating Entity. Ref: State of Michigan Act 154, Section 14, P.A. 1974 as amended. Copies of MSDS for all purchased hazardous materials must be provided prior to delivery of any items by the Contractor. Additionally, the MSDS needs to be attached to the invoice and all products delivered must be labeled according to Section 14 of Act 154, of the public Acts of 1974, as amended. Any appropriate products not labeled will be refused and the Contractor will be responsible for additional freight charges. Payment may be withheld until the Participating Entity receives the MSDS.

##### **4. Modifications to Contracts**

No modifications to a contract/purchase order with a Participating Entity shall be binding upon such Participating Entity unless agreed to in writing signed by an authorized representative of the Participating Entity.

5. Governing Law

Any contract arising out of this solicitation shall be governed by and construed under the laws of the State of Michigan. In the event of any legal action to enforce or interpret any contract arising out of this solicitation, the sole and exclusive venue shall be the state or federal court of the local jurisdiction where the Participating Entities are located.

**B. Additional Member Agency Terms and Conditions for:**

1. Non-Construction Products and Services:

All supplies, materials, and equipment sold or leased to Michigan intermediate school districts or K-12 public school districts must be in accordance with MCL 380.623a and 380.1274, respectively. The procurement of supplies, materials and/or equipment in a single transaction costing more than the State of Michigan Competitive Bidding threshold set forth in MCL 380.623a and 380.1274 by an intermediate school district or K-12 public school district requires the district to obtain competitive bids and the purchase must be approved by the district's Board of Education.

2. Construction Products and Services:

All Contractors understand and agree that the use of AEPA contracts is not intended for use by Michigan intermediate school districts or public K-12 school districts for construction, renovation, or remodeling projects under MCL 380.1267 and agree to comply with all applicable standards and statutes for said construction projects. Based on MCL 380.1267, labor must be bid. However, intermediate school districts or public K-12 school districts can choose to buy material only from a cooperative purchasing contract.

The AEPA cooperative contract has been bid in accordance with Michigan statute. It was advertised as required in the state and a material price book meeting the requirement of providing a discount for the opportunity of responding to a multi-state bid for goods and services with a national scope was submitted at the time of bidding by the vendor and awarded to the lowest responding vendor. To be able to purchase material only for a project, the board of a school district or board of directors of a public-school academy needs to adopt a written policy governing the procurement of supplies, materials, and equipment. Material only fits into the classification of MCL 380.1267 of a cooperative bulk purchasing program.

MCL 380.11a(4) allows for intermediate school districts or public K-12 school districts to enter into agreements or cooperative arrangements with other entities, public or private, or join organizations as part of performing the functions of the school district which allows the Intermediate school districts or public K-12 school districts to utilize the Oakland Schools awarded contract. In addition, under MCL 380.1274 (4), a school district or public-school academy is not required to obtain competitive bids for items purchased through the cooperative bulk purchasing program.

A material only purchase is a direct purchase to the manufacturer for materials. This will require the intermediate school districts or public K-12 school districts to issue two purchases orders, one for the labor which will be awarded through a traditional competitive bid process and one for the material.

All other governmental agencies can utilize the Oakland Schools awarded contract for material and labor solutions pursuant to 18.1261.

**C. Procedure for Processing Orders:**

Once the award is made to a Contractor, OS will inform the Participating Entities and Other Agencies of the award by announcing the award through its general and usual methods of disseminating information.

1. OS follows the AEPA Standard Ordering Process (see Part A, General Terms and Conditions for All Agencies, "Ordering Procedures").
2. Contractors shall be required to pay a two percent (2%) administrative fee (the "Fee") based on the total cost of goods or services purchased, including installation and freight, if applicable. In the event of a lease arrangement, the total Fee for the value of goods leased shall be paid to OS by the Contractor at the front end of the lease. Contractor or its designated authorized reseller(s) shall not include any additional amount corresponding to the Fee in the bid responses or awarded prices.

**D. Agencies Allowed to Purchase under the Member Agency:**

OS serves all local school districts located in Oakland County, Michigan. **2. Additional Participating Agency Terms and Conditions for Non-Construction Products and Services**

If requested by CPC, the contracted vendor will work with CPC to develop an order form, or order forms, containing the most purchased items, that CPC can utilize to market the contracted vendor to its participating agencies.

**3. Additional Participating Agency Terms and Conditions for Construction Related Products and Services**

Upon acceptance and approval of the Vendor's offer by AEPA, CPC will independently consider the offer and consult with the Vendor to determine if the Vendor can meet the requirements for construction-related products and services and to enter and execute a contract in the state of Minnesota. The contracted vendor will be required to work with CPC's participating agencies and require that an architect's signature or certification is noted on the specifications as required by Minnesota Statute §326.12 subd. 3. With certain exceptions, Minnesota Rules part 1800.5200, subpart 1, requires a licensed architect or engineer to prepare and certify specifications for building alterations or renovations. Once CPC and the Vendor can confirm that business can be conducted in Minnesota, CPC will make a final decision to complete the contract execution process.

**Performance Bond (for construction and/or installation related projects)**

Performance bonds will be required:

1. As defined by all applicable state statute(s) where the project is being conducted.
2. As required by the participating agency.

All performance bonds will be issued by a corporate surety authorized to do business in the state in which the work will be conducted and by a surety listed in the US Treasury Circular 570. Performance bonds will be posted by the Supplier and submitted to the specific participating agency for the assigned project. Should the contract be the result of a piggyback agreement, performance bonds will reflect each state's bonding requirements.

The Supplier will execute a performance bond in an amount equal to one hundred percent (100%) of the value specified in the contract between the participating agency and the Supplier unless the participating agency requires less to be posted. This bond will protect all persons supplying labor and material to the Supplier for the performance of the work provided in the contract. Subcontractors who may work on the contract may have to provide the Supplier with a performance bond. If the contract price increases after the bond is provided, the participating agency may consider obtaining additional bonds from the Supplier.

The Supplier will deliver the performance bond to the eligible participating agency at the time the contract is executed between the agency and the Supplier. Work will not commence between the Supplier and the eligible participating agency until the performance bond is received by the participating agency and a copy has been sent to CPC via email (info@purchasingconnection.org). The Supplier will be responsible for providing CPC with a copy of all contracts and bonds in accordance with CPC purchasing procedures. Should the Supplier fail to satisfactorily perform the contract, the bonding company that provided the performance bond will be required to pay the dollar amount of the bond to the participating agency.

It is the Supplier's responsibility to ensure that they can obtain the required bonding for all construction products based on an awarded contract arising from this solicitation. Payment will not be issued for any project for which the required bonds have not been received.

With said construction-based project, the participating agency may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this solicitation and resulting Master Contract Agreement (i.e. project timeline, completion dates, progress payments, delivery requirements, invoice requirements, etc.). Any supplemental agreement developed because of the Master Agreement is exclusively between the Supplier and the participating agency. CPC, its agents, members, and employees shall not be a party to any claim for breach of such agreement.

**4. Insurance:**

The Vendor shall purchase, maintain, and provide certification from the insurer for minimal coverage during the life of an awarded contract, to include, but not limited to, comprehensive public and/or commercial liability, errors and omissions, workman's compensation, unemployment, and other insurance coverage required by and applicable to each of CPC's individual state's statutes and federal laws which proposed products and services will be offered and provided. Any required insurance

that is canceled before the expiration date of the contract agreement, the issuing company will send immediate notice to CPC. Respondents shall provide a statement of insurance from the issuing company or their authorized agent upon request. The Vendor shall meet the following requirements:

- b. Automobile Liability: \$1,000,000 each occurrence
- c. Workers Compensation: \$100,000

CPC reserves the right to consider and accept alternate forms and plans of insurance or to require additional or more extensive coverage for any individual requirement. The Vendor must provide the COI upon receipt of a signed contract.

## **5. Procedure for Contract Award, Notification and Processing Orders**

Once the award is recommended by the AEPA Review Committee, CPC considers the recommendation based on the value of the potential contract for its participating agencies. In the event of an award by the CPC Board of Directors, CPC will inform its participating agencies of the award.

- a. Upon award and completion of the vendor orientation, CPC will promote the contract opportunity to its membership in one or more of the following ways: websites; agency newsletters; hard copy marketing flyer; Email announcements; contract catalog; and trade shows.
- b. CPC may assist in the development of marketing materials (if requested by the vendor), but in all cases shall have the authority to review and approve any marketing materials. If a web site is used, the link will be made available from the CPC web page. Any web page or link, or other marketing tools shall be dedicated to CPC and/or AEPA information only.
- c. When a participating agency identifies a desired product or service, the agency and the Vendor may negotiate with each other to establish a description of items and/or services. The Vendor shall quote a price to the member, using AEPA established discounts including the two percent (2%) administrative fee in the quoted price not as a separate line item. The administrative fee shall be based upon the total cost of goods and/or services including installation costs.
- d. Ordering Methods.
  - i. All orders will be executed by participating agencies, directly, with the Vendor. The Vendor may offer a variety of options for agencies to place orders. The Vendor will make all deliveries and installation of products and services. CPC will not warehouse items or provide services.
  - ii. Participating agencies may use two (2) different methods of placing orders from the resulting contract: Purchase Orders (PO's) and procurement cards. The method of payment is at the discretion of the participating agency. Additional surcharges for the use of a procurement card must be clearly outlined.
  - iii. A PO may be issued to the Vendor on behalf of the participating agency ordering the services covered under the resulting contract. An issued PO will become part of the resulting contract. The PO indicated that sufficient funds have been obligated toward the purchase.
  - iv. Regardless of the method of ordering used, solely the contract and any modification determine performance time and dates.
  - v. Performance under this contract is not to begin until receipt of a PO, procurement card order, or other notification to proceed by the participating agencies to proceed.
- e. CPC requires that all participating vendors offer the contract opportunity to all CPC participating agencies.

## **6. Administrative Fees & Reporting**

The administrative fee is to be paid by the Vendor to CPC, quarterly, within 20 working days after the end of each fiscal quarter. The AEPA vendor shall also submit to CPC a sales report, in Excel format, listing the following information:

- a. Name of purchasing agency
- b. Address of purchasing agency (city, state, zip code)
- c. Date of purchase
- d. Invoice number
- e. Amount of purchase
- f. Administrative fee generated by sale
- g. Savings generated by sale

This report shall include all sales made and payments received by the vendor in said quarter. The sales report shall be emailed to Melissa Mattson at [mmattson@lcsc.org](mailto:mmattson@lcsc.org) and copied to Lori Mittelstadt at [lmittelstadt@lcsc.org](mailto:lmittelstadt@lcsc.org). Payments must be received either via check or authorized ACH. An ACH enrollment/authorization form must be provided to CPC for completion. ACH remittance notification must be sent to the individual indicated on the ACH enrollment/authorization form prior to ACH payment. If mailing a check, the payment shall be delivered to Melissa Mattson, CPC, 1001 East Mt. Faith, Fergus Falls, MN 56537. The check shall be made out to Lakes Country Service Cooperative.

## **7. Express Online Marketplace**

CPC provides participating agencies with an online purchasing platform called Express. Through Express, agencies can search for and purchase items. Essentially, Express is a one-stop-shop for many of CPC's commodity-based contracts. The Vendor does not have to have an e-commerce site to be included in Express. Express offers integration into two (2) of the

main K-12 school financial systems in Minnesota. CPC expects growth in the number of agencies utilizing the marketplace and the volume of sales to grow significantly. CPC will work with the Vendor to determine if the contract agreement is suitable for the online platform.

## 15. MISSOURI-EducationPlus (EDUCATIONPLUS) [Formerly Cooperating School Districts of the Greater St. Louis Area (CSD)]

### A. Additional Agency Terms and Conditions

Lease and Rentals: Vendor may allow EDUCATIONPLUS customers to enter into rental, lease, or lease purchase agreements, providing such agreements are in compliance with Missouri statutes and Missouri Department of Elementary and Secondary Education policies, rules and regulations. EDUCATIONPLUS must receive a copy of the executed leasing documents prior to processing a purchase order. EDUCATIONPLUS will not collect lease payments. Bidder agrees that leases will be in compliance with the Uniform Commercial Code. All terms of leasing must be included in the proposal, with interest rates described as related to a government standard.

Bidder must indicate in its response to this solicitation if the shipping costs for the return of leased or rented equipment are the responsibility of the EDUCATIONPLUS customer, and what that cost will be. No sale of a contract to a third party will be made without first informing EDUCATIONPLUS and the EDUCATIONPLUS customer of the sale. If Bidder sells a lease contract to a third party, the cost of return must not be greater than the cost of return to the original vendor. An administrative fee, as stipulated in the AEPA solicitation document, must be included in the lease cost based on the total value of the goods purchased. This fee is referred to under ordering process.

### B. Procedure for Processing Orders

(1.) Once the award is made to the vendor, EDUCATIONPLUS will inform its members and other potential customers of the contract by announcing the award on its website and by including the award in presentation comments and in other communications.

(2.) EDUCATIONPLUS may require a marketing flier from each vendor promoting the contract and AEPA relationship. EDUCATIONPLUS will assist in the development of the marketing flier and material if needed. This flier will be for distribution as well as posting on the EDUCATIONPLUS website and disseminated to potential customers. Note: EDUCATIONPLUS requires the awarded vendor to take ownership and actively promote the contract in cooperation with EDUCATIONPLUS to all qualified customers.

(3.) When the customer identifies a desired product or service as available through the AEPA contract and makes a purchase on the EDUCATIONPLUS online Marketplace or agrees on price as presented to the member by the awarded AEPA vendor, the customer then issues to the vendor a purchase order for that item or service.

(4.) The purchase order must include an additional administrative fee (as stipulated in the AEPA solicitation document) in the total cost, based on the total cost of goods and service including installation and freight if applicable. This fee is to be forwarded by the vendor to EDUCATIONPLUS after the sale and payment is made to vendor. Payment shall be made to EDUCATIONPLUS on a quarterly basis along with complete sales history during that period.

(5.) Vendor makes all deliveries and installations of products and services. EDUCATIONPLUS does not warehouse items nor provide services.

(6.) All participating vendors agree to and are subject to audit proceedings of AEPA member sales.

(7.) EDUCATIONPLUS uses its own online Marketplace to market vendor goods. Not all goods are appropriate to a Marketplace; however, where appropriate, all participating vendors agree to work with EDUCATIONPLUS and its marketplace vendor to ensure goods are available through the EDUCATIONPLUS Marketplace.

### C. Customers Purchasing Under the Agency

We take great pride in the fact that EDUCATIONPLUS is providing a complete line of purchasing services to our 60+ member school districts and hundreds of additional school districts, educational institutions, and nonprofit organizations. EDUCATIONPLUS was created in 1928 with its primary focus aimed at improving educational opportunities for all students. Our goal is to promote efficient use of educational and nonprofit dollars, and simultaneously provide an ongoing market for those vendors doing business with EDUCATIONPLUS.

### D. Governing Law

MO. REV. STAT. §70.220. 1. Any municipality or political subdivision of this state, as herein defined, may contract and cooperate with any other municipality or political subdivision, or with an elective or appointive official thereof, or with a duly authorized agency of the United States, or of this state, or with other states or their municipalities or political subdivisions, or with any private person, firm, association or corporation, for the planning, development, construction, acquisition or operation of any public improvement or facility, or for a common service; provided, that the subject and purposes of any such contract or cooperative action made and entered into by such municipality or political subdivision shall be within the scope of the powers of such municipality or political subdivision.

**E. Prohibition Against Boycotting Israel**

Vendors signing a contract with EDUCATIONPLUS will be required to sign a certification stating that the company is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel, pursuant to Revised Statutes of Missouri (RSMo) 34.600, known as the "Anti-Discrimination Against Israel Act."

## 16. MONTANA-Montana Cooperative Service

### COOPERATIVE PURCHASING IN MONTANA:

**1. General Standards:** Purchases by public entities in excess of \$80,000 are subject to public bid; purchases under this amount are subject to requirements of public contracts. See Sections 7-5-2301 and 7-5-2304, Montana Code Annotated (Counties); Sections 7-5-4302 and 7-5-4303, Montana Code Annotated (Municipalities).

Note: purchases of less than \$80,000 are not subject to public bid requirements, which provides local government entities with considerable flexibility to make purchases. Public bidding requirements do not appear to prohibit local government entities who are members of AEPA or MCS from soliciting bids from approved vendors for purchases in excess of \$80,000.

**2. Local Government Cooperative Purchasing Authority:** Local governments may also elect to purchase cooperatively through the Montana Department of Administration in lieu of soliciting their own bids. 51 A.G. Op. 15 (2006). Procurement by government entities generally falls within the Montana Procurement Act, Section 18-4-10 I, MCA, et seq.

A. Local Governments are authorized to adopt and implement the rules and standards of the Act:

**18-4-124. Local government adoption of procurement provisions -- alternative project delivery contracts.** (1) A political subdivision or school district may adopt any or all parts of this chapter and the accompanying rules promulgated by the department.

B. Local governmental entities and school districts are specifically authorized to purchase cooperatively in the public interest:

**18-4-401. Definitions.** As used in this part, the following definitions apply:

(1) "Cooperative purchasing" means procurement conducted by or on behalf of more than one public procurement unit.

(2) "Local public procurement unit" means a county, city, town, or other subdivision of the state or a public agency of any such subdivision; public authority; educational, health, or other institution; to the extent provided by law, any other entity that expends public funds for the procurement of supplies and services; and any nonprofit corporation operating a charitable hospital.

(3) "Public procurement unit" means a local or state public procurement unit of this or any other state, including an agency of the United States, or a tribal procurement unit.

(4) "State public procurement unit" means a state department, agency, or official that expends public funds for the procurement of supplies and services.

(5) "Tribal procurement unit" means a tribal government, tribal entity, or official of a tribal government located in Montana that expends tribal funds or funds administered by a tribe for the procurement of supplies and services to the extent provided by tribal or federal law.

**18-4-402. Cooperative purchasing authorized.** The department may participate in, sponsor, conduct, or administer a cooperative purchasing agreement for the procurement of any supplies or services with one or more public procurement units in accordance with an agreement entered into between the participants independent of the requirements of part 3. **Cooperative purchasing may include purchasing through** federal supply schedules of the United States general services administration, joint or multiparty contracts

between public procurement units, open-ended state public procurement unit contracts that are made available to local public procurement units, and **competitive contracts established by for-profit, not-for-profit, or nonprofit cooperative**

**entities.** (emphasis added).

Note: Cooperative purchasing by local governmental entities may require entering into an agreement with the Montana Department of Administration. This requirement does not appear to preclude local entities from participating as members of purchasing groups.

C. Local governmental entities are authorized to enter agreements with each other in order to purchase cooperatively.

**7-11-104. Authorization to create interlocal agreements -- issuance of bonds for joint construction -- hiring of teacher, specialist, or superintendent. One or more public agencies may contract with any one or more other public agencies to perform any administrative service, activity, or undertaking** or to participate in the provision or maintenance of any public infrastructure facility, project, or service, including the issuance of bonds for the joint construction of a facility under 20-9-404, the hiring of a teacher or specialist under 20-4-201 or a superintendent under 20-4-401, or the hiring of or contracting with any other professional person licensed under Title 37, that any of the public agencies entering into the contract is authorized by law to perform. The contract must be authorized and approved by the governing body of each party to the contract. The contract must outline fully the purposes, powers, rights, obligations, and responsibilities of the contracting parties. (emphasis added).

3. **School and school district cooperative purchasing authority:** Schools and school districts are specifically authorized to purchase cooperatively utilizing qualifying purchasing entities:

**"A [school] district may enter into a cooperative purchasing contract for the procurement of supplies or services with one or more districts. A district participating in a cooperative purchasing group may purchase supplies and services through the group without complying with the provisions of [soliciting public bids and awarding a contract] if the cooperative purchasing group has a publicly available master list of items available with pricing included and provides an opportunity at least twice yearly for any vendor, including a Montana vendor, to compete, based on a lowest responsible bidder standard, for inclusion of the vendor's supplies and services on the cooperative purchasing group's master list."** Section 20-9-204(4), Montana Code Annotated (emphasis added).

Note: Montana's AEPA member, Montana Cooperative Services, meets all of the statutory requirements of Section 20-9-204(4), MCA, with respect to cooperative purchasing groups.

Cooperative purchasing is another tool in the bag for local governmental entities, including school districts, to acquire services and supplies at better prices than may otherwise be available. Membership in MCS provides access to AEPA-approved vendors as well as in-state suppliers who have been carefully vetted for reliability and quality.

Additional New Jersey Participants may include other public educational institutions, public colleges or universities, community colleges, vocational or technical schools, municipal governments, and other governmental, quasi-governmental, or non-profit organizations. The ESCNJ Cooperative Pricing System currently has 1,560+ New Jersey Participants located in all 21 Counties of the State of New Jersey.

### **CONFLICT OF INTEREST**

An ESCNJ employee (including independent contractors for purposes of this definition) placing an order or recommending a vendor must disclose any relationship with that vendor which would not be considered an “arms-length” or independent transaction. This disclosure must be made in writing to the Business Administrator and/or Chief Financial Officer for an evaluation. The Business Administrator and/or the Chief Financial Officer will respond to this disclosure in writing.

For a transaction to be considered “arms-length” or “independent”, an ESCNJ employee should not be influenced, dependent upon, guided or controlled by a vendor into choosing that vendor, or item to purchase; nor should it appear to a third party that an ESCNJ employee made a purchasing decision which appears to be based upon a personal relationship between the ESCNJ employee and vendor.

The following are examples when a transaction is NOT considered arms-length or independent: (1) when there exists a personal relationship between an ESCNJ employee and a vendor, (2) when there exists the potential for a personal benefit to an ESCNJ employee, or (3) the parties to a business deal are dependent upon one another for “something” other than the purchase itself.

The Contractor shall disclose any relationship with an ESCNJ employee that would not be considered an “arms-length” or independent transaction, as described above. This disclosure must be made in writing to the Business Administrator and/or the Chief Financial Officer for an evaluation. The Business Administrator and/or the Chief Financial Officer will respond to this disclosure in writing.

In addition, the Contractor shall, if given a copy of the potential New Jersey Participant’s conflict of interest policy, follow the process in that policy, or otherwise disclose to a potential New Jersey Participant any relationship that would not be considered an “arms-length” or independent transaction with that New Jersey Participant, as described above. This disclosure must be made in writing to the chief official (for example, the Superintendent at a board of education) at the potential New Jersey Participant.

Determination of the existence of a conflict of interest does not prohibit ESCNJ and/or a New Jersey Participant from entering into the contract and purchase order, respectively.

**Bribes, Gratuities and Kickbacks:** The Procurement Code, NMSA 1978 §§ 13-1-28 through 13-1-199, imposes civil and criminal penalties for violation of the statute. In addition, the New Mexico criminal statutes impose felony penalties for illegal acts, including bribes, gratuities, and kickbacks.

Prior to the Offeror entering into a contract with an individual CES Agency, the Offeror must provide the CES Member or Participating Entity with a Campaign Contribution Disclosure Form.

**CES eProcurement System:** CES has online procurement and contract management system called CES eProcurement System. This system allows CES to manage Bid and RFP submission, contract holder's business and contract information, all into one web-based application. If recommended for a contract award, the bidder or offeror **is required** to create a user profile for their company in the CES eProcurement System. This allows CES to maximize the efficiencies of the contract and solicitation process through a web-based solution.

**Confidential Information and Disclosure of Proposal Contents:** For the purposes of this procurement, the provisions of the "New Mexico Inspection of Public Records Act NMSA 1978, Chapter 14, Article 2, will be in effect. Pursuant to this Act, all proceedings, records, contracts, and other public documents relating to this procurement shall be open to public inspection. Proposers are reminded, that while trade secrets and other proprietary information they submit in conjunction with this procurement may not be subject to public disclosure, protections must be claimed by the proposer at the time of submission of AEPA Bib or RFP. Proposers should refer to the New Mexico Inspection of Public Records Act for further clarification.

The designation of certain information as trade secrets and/or privileged or confidential proprietary information shall only apply to the technical portion of your proposal. Your cost proposal will not be considered confidential under any circumstance. Any proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse. The Offeror must clearly designate the part of the proposal that contains a trade secret and/or privileged or confidential proprietary information as "CONFIDENTIAL" in order to claim protection, if any, from disclosure. Further, to protect such data, each page containing such data shall be specifically identified and marked "CONFIDENTIAL" within the required electronic submission. The CES Procurement Manager will review the statement and will determine in writing whether the information will be withheld.

**Confidential Information Disclosure:** Any confidential information provided to the Offeror by CES, its Members or Participating Entities or developed by the Offeror based on information provided by CES, its Members or Participating Entities in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Offeror without the prior written approval of CES, its Members or Participating Entities. Upon termination of this Agreement, Offeror shall deliver all confidential material in its possession to CES, its Members, or Participating Entities within thirty (30) business days of such termination. Offeror acknowledges that failure to deliver such confidential information to CES, its Members, or Participating Entities will result in direct, special, and incidental damages.

**Conflict of Interest:** Any contract executed related to this solicitation is subject to cancellation by CES if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of a CES Member or Participating Entity is, at any time while the contract is in effect, an employee of any other party to the contract in any capacity or as a consultant to any other party of the contract with respect to the subject matter of the contract.

**Contract:** Any agreement for the procurement of items of tangible personal property, construction, professional services and other services.

All contract awards with CES are based upon the terms, conditions, scope of work and specifications contained in AEPA solicitation and CES General and Construction Terms and Conditions. All solicitation documents and responses become the basis for a CES contract. A contract will be executed between CES and the AEPA Offeror(s) and shall become a binding agreement upon signatory approval by all parties.

**Contract Month-to-Month Extensions:** CES reserves the right to offer month-to-month extensions as authorized by Educational Purchasing Agencies (AEPA) if that is determined to be in the best interest of CES, its Members, and Participating Entities but, in

any case shall not exceed the total number of years allowed pursuant to NMSA 1978, § 13-1-150 and the Association of Educational Purchasing Agencies (AEPA).

**Contract Non-Exclusive:** Any contract resulting from this Educational Purchasing Agencies (AEPA) solicitation with the understanding and agreement that it is for the sole convenience of CES, its Members or Participating Entities in New Mexico. **Contract Term and Extension:** The contract term shall be for up to four (4) calendar years and shall continue until terminated, canceled, or extended by either CES or Association of Educational Purchasing Agencies (AEPA). CES reserves the right to renew the Agreement through a written amendment signed by all required signatories but, in any case shall not exceed the total number of years allowed pursuant to NMSA 1978, § 13-1-150. **Cooperative Use of Contract:** Any contract as a result of AEPA Bid or RFP, will be made available to other public agencies nationally, including state, native and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit. Offeror will reimburse CES the CES Administrative Fee for all sales utilizing this contract.

**Credit Hold:** The Offeror must agree not to place CES, its CES Member/Participating Entity on "credit hold" without ten days advanced notice in writing, either by e-mail, letter, or facsimile. Before CES can pay an Offeror's invoice, it must collect payment from the CES Member/Participating Entity that received the product. CES believes it is better for the Offeror if CES places the slow-paying agency on "credit hold". If an Offeror places CES on "credit hold," agencies that pay promptly are penalized. If, on the other hand, CES places the offending agency on "credit hold", payment is more likely to result and only the offender is punished. When it involves a direct purchase from a CES Member/Participating Entity, the contract holder agrees to copy CES on all collection correspondence.

**Data Ownership of Materials, and Privacy:** The terms of this section apply if Offeror receives, has access to or analyzes CES or CES Member/Participating Entity's data. As between the parties, CES or the CES Member/Participating Entity will own, or retain all of its rights in, all data and information provided by CES or the CES Member/Participating Entity to the Offeror, as well as all data and information managed by Offeror on behalf of CES or the CES Member/Participating Entity, including all output, reports, analyses, and other materials relating to, derived from, or generated pursuant to any agreement generated through this solicitation, even if generated by the Offeror, as well as all data obtained or extracted through CES or the CES Member/Participating Entity or Offeror's use of such data or information. CES or the CES Member/Participating Entity's data includes all data and information provided directly to the Offeror.

All CES or CES Member/Participating Entity data will be CES's or the CES Member/Participating Entity's Intellectual Property (IP) and Offeror will treat it as "Confidential Information". Offeror will not use, access, disclose, or license, or provide to third parties any CES or CES Member/Participating Entity data, except to fulfill the obligations of the Contract IP. Without limitation, the Offeror will not use any CES or CES Member/Participating Entity data whether or not aggregated or de-identified, for product development, marketing, profiling, benchmarking, or product demonstration, without in each case, CES or the CES Member/Participating Entity's prior written consent. Offeror will not, directly or indirectly attempt to re-identify or de-aggregate, de-identified or aggregated information; or transfer de-identified and aggregated information to any third party.

**Default in One Installment to Constitute Total Breach:** Offeror will deliver conforming materials in each installment, or lot of any contract; and may not substitute nonconforming materials. CES reserves the right to declare a breach of contract if the Offeror delivers nonconforming materials to any CES Member or Participating Entity under this contract.

**Debarment Disclosure:** If the Offeror has been debarred, suspended or otherwise lawfully precluded from participating in any public procurement activity, including being disapproved as a subcontractor with any federal, state or local government or agency, or if any such preclusion from participation from any public procurement activity is currently pending, the Offeror shall include a letter with its response identifying the name and address of the governmental unit, the effective date of the suspension or debarment, the duration of the suspension or debarment, and the relevant circumstances relating to the suspension or debarment. If suspension or debarment is currently pending, a detailed description of all relevant circumstances must be

provided by the Offeror, including the details enumerated above. A response from an Offeror who is currently debarred, suspended, or otherwise lawfully prohibited from any public procurement activity may be rejected. Failure of an Offeror to disclose a debarment or suspension in accordance with this section may result in their response being disqualified for award of the solicitation.

**Defective Goods:** Every tender of materials must fully comply with all provisions of this solicitation and resulting contract. If tender is made which does not fully conform, this will constitute a breach, and Offeror will not have the right to substitute a conforming tender without written consent of all parties involved. Offeror agrees to arrange for return shipment of damaged goods at no cost to the CES Member or Participating Entity.

**Force Majeure:** Except for payments of sums due, neither party shall be liable to the other, nor deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the either party affected and occurs without fault or negligence, including, but not limited to, the following: acts of nature; acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; earthquakes; famine; volcanic eruptions; meteor strikes; pandemics; lockouts; injunctions-interventions-acts or failures; or refusals to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence. Force majeure shall not include late deliveries of software or materials caused by congestion at a manufacturer's plant or elsewhere, an over-sold condition of the market, inefficiencies and poor management practices, or similar occurrences. "This provision shall survive any termination of any Agreement entered into as a result of this solicitation Offeror will promptly advise CES in writing of any action, administrative or legal proceedings or investigation as to which defense and indemnification shall apply."

**Novation:** If the original Offeror sells or transfers all assets or portion of the assets used to perform this contract, a successor in interest must guarantee to perform all obligations under this contract. CES reserves the right to accept or reject the new party, with the original Offeror being responsible to fulfill the obligations under the existing contract if the new party fails to perform. A simple change of name agreement will not change the contractual obligations of the Offeror.

**Ordering Process:** CES currently offers (4) four procurement/purchasing options: the "Traditional Method", the "Online Ordering Method" through Contractor's website and the "Direct Purchase Method" through the CES Blue Book and Leasing.

1. **Traditional method,** CES Members/ Participating Entities will submit signed purchase orders to CES. CES will then issue a purchase order to the Offeror. The Offeror must agree to never accept a purchase order directly from the CES Member/Participating Entity based on this procurement method. The purchase order you receive must be issued by CES.
2. **Online ordering through Offeror's website,** which allows the CES Members/Participating Entities to go online and create an order through the Offeror's system; the Offeror delivers the product/services; invoices the CES Member/Participating Entity; the CES Member/Participating Entity pays the Offeror; and the Offeror rebates the CES administrative fee to CES, unless an agreement to deviate from this process has been approved in writing by both parties.
3. **Direct Purchase:** For CES Direct Purchase the CES Member/Participating Entity makes their purchase order (PO) out to the Offeror and sends it to CES for contract compliance. CES will stamp the PO "Approved" and will forward the PO to the Offeror and Member. This will serve as the "authorization" for the Offeror to proceed with the purchase. Offeror will invoice the CES Member/Participating Entity directly and collect payment. CES will invoice Offeror the CES 1.25% administrative fee.
4. **Leasing:** The Offeror will rebate the CES administrative fee based on the full amount of the lease upon payment to the Offeror by the leasing company. CES must be provided with a copy of the lease agreement for compliance.

**Patent and Copyright Infringement:** Offeror will, at their expense, defend CES and its Members and Participating Entities against any claim that any equipment or software supplied hereunder infringe a patent or copyright in the United States, or a U.S. Territory, and will pay all costs, damages and attorney's fees that a court finally awards as a result of such a claim. To qualify for such a defense and payment, CES will:

- a. Give Offeror prompt written notice of any such claim after becoming aware of such claim.
- b. Allow Offeror to control and fully cooperate with Offeror in the defense and all related settlement negotiations.

CES will be reimbursed for all expenses incurred by CES in fully cooperating with Offeror as specifically requested by contract. CES is not required to incur any expenses specified in this paragraph, which are not reimbursable, by the Offeror. If any CES Member and Participating Entity is involved by any party in a Patent and Copyright infringement dispute, the same provisions that apply to CES in this paragraph will apply to the CES Member or Participating Entity. Offeror's obligation under this section is conditioned on CES' agreement that if the subject of such a claim, CES will permit the Offeror, at its expense and option, either to procure the right for CES and its Members or Participating Entity to continue using the equipment and/or software, or to replace equipment or software which are functionally equivalent so that they become non-infringing. If neither of the foregoing alternatives is available on terms which are reasonable in Offeror's judgment and satisfactory to CES, CES will request its Members or Participating Entity to return the equipment or software upon written request by Offeror at Offeror's expense. Offeror agrees to refund CES and/or its CES Member/Participating Entity for returned equipment as depreciated to current market value unless otherwise mutually agreeable in writing. The depreciation will be an equal amount per year over the life of the equipment in accordance with GAAP/GASB guidelines. In the event that an Offeror's written request for return of equipment is made after full depreciation, the Offeror will pay CES, or its CES Member/Participating Entity who purchased the equipment, an amount equivalent to the fair market value of the returned equipment. If CES, or any of its CES Member/Participating Entity, fails to return the equipment, the Offeror is not obligated to that Member under this clause. Offeror will have no obligation with respect to any such claim based upon a Member's or Participating Entity's modification of

the equipment or software or combination, operation or use with apparatus, data or programs not furnished by Offeror. However, one Member's or Participating Entity's action will not preclude Offeror's obligation to other Members/Participating Entities not having modified their equipment or software.

**Payments by CES Member or Participating Entities:** For the purchase by a CES Member or Participating Entity directly from the Offeror for goods and services that have been received and accepted. Payment from the Member or Participating Entity to the Offeror will be made within forty-five (45) days after the receipt of a correct invoice, unless a good faith dispute exists as to any obligation to pay all or a portion of the account. If a dispute arises or an agency's account becomes delinquent, the Offeror is encouraged to contact and request assistance from CES. *Any offer that requires payment in less than forty-five (45) days may not be considered.*

**Payment of Administrative Fee:** When a CES Member or Participating Entity issues payment directly to the Offeror for goods and services received and accepted, the Offeror will upon receipt of payment from a CES Member or Participating Entity, issue payment to CES for the CES administrative fee as invoiced by CES.

**Price List/Pricing:** The Offeror will furnish CES with electronic copies of AEPA approved price list for products and services offered and upload to the CES eProcurement System for approval. The Offeror must keep current all pricing for any contract issued as a result of this solicitation. Should the Offeror fail to update pricing with AEPA or not upload the approved AEPA pricing to CES eProcurement System, the Offeror shall honor their pricing on file with CES at the time of their quote submittal to the CES, CES Member/Participating Entity. Discount off list price must be clearly noted in the price quote to CES, CES Member/Participating Entity. All pricing must include the AEPA/CES administration fee.

**Price Quote/Proposal:** When preparing a quote/proposal, the Offeror must clearly identify and break out quantities, descriptions, supplies, materials, equipment, and services into individual line items as they appear on the Offeror's awarded price schedule or pricing methodology. At a minimum, all quotes or proposals shall include the following: description, "hourly labor rate or the list/catalog unit price", "the per cent discount offered" and the final "CES price". All stated prices must include the CES/AEPA administrative fee. Shipping/Freight costs and the New Mexico Gross Receipts Tax as applicable must be stated in separate lines.

**Price Reduction, Promotional and Special Pricing:** A price reduction can be offered at any time and will become effective upon approval by AEPA and CES.

**Progress Payments:** Under this solicitation (RFP), CES, its Members, and Participating Entities may allow progress payments to be made on goods and/or services received and accepted under the following conditions:

- a. The Member or Participating Entity and the Offeror agree to the terms and milestones of the project for progress payments in writing prior to issuing a purchase order to the Offeror.
- b. The quote or proposal in which the purchase order is based must clearly identify and describe the amount(s) to be paid and the date(s) payment(s) are to be made for the service or goods delivered.
- c. The Offeror must obtain from the CES Member or Participating Entity written documentation identifying the work completed and goods received to be submitted with progress payment request.

- g. **Substance Use and Conduct:** All Vendor partners and subcontractors must adhere to local substance (alcohol, drug, smoking, etc.) and conduct (dress code, language, parking, etc.) policies while on a participating agencies' premises.
- h. **Vendor Orientation:** The Vendor and their participating resellers/sub-contractors will be required to participate in an online training session that is designed to educate the Vendor and resellers/sub-contractors on the purpose and nature of NDESC. The Vendor may not be marketed to participating agencies until they have completed the vendor orientation session.

**2. Additional Participating Agency Terms and Conditions for Non-Construction Products and Services**

If requested by NDESC, the contracted vendor will work with NDESC to develop an order form, or order forms, containing the most commonly purchased items, that NDESC can utilize to market the contracted vendor to its participating agencies.

**3. Additional Participating Agency Terms and Conditions for Construction Related Products and Services**

Upon acceptance and approval of the Vendor's offer by AEPA, NDESC will independently consider the offer and consult with the Vendor determine if the Vendor can meet the requirements for construction-related products and services, according to [Chapter 48-01.2 of the North Dakota Century Code](#), and to enter and execute a contract in the state of North Dakota. Once NDESC and the Vendor can confirm that business can be conducted in North Dakota, NDESC will make a final decision to complete the contract execution process.

**Performance Bond (*for construction and/or installation related projects*)**

Performance bonds will be required:

1. As defined by all applicable state statute(s) where the project is being conducted.
2. As required by the participating agency.

All performance bonds will be issued by a corporate surety authorized to do business in the state in which the work will be conducted and by a surety listed in the US Treasury Circular 570. Performance bonds will be posted by the Supplier and submitted to the specific participating agency for the assigned project. Should the contract be the result of a piggyback agreement, performance bonds will reflect each state's bonding requirements.

The Supplier will execute a performance bond in an amount equal to one hundred percent (100%) of the value specified in the contract between the participating agency and the Supplier unless the participating agency requires less to be posted. This bond will protect all persons supplying labor and material to the Supplier for the performance of the work provided in the contract. Subcontractors who may work on the contract may have to provide the Supplier with a performance bond. If the contract price increases after the bond is provided, the participating agency may consider obtaining additional bonds from the Supplier.

The Supplier will deliver the performance bond to the eligible participating agency at the time the contract is executed between the agency and the Supplier. Work will not commence between the Supplier and the eligible participating agency until the performance bond is received by the participating agency and a copy has been sent to CPC via email ([info@purchasingconnection.org](mailto:info@purchasingconnection.org)). The Supplier will be responsible for providing CPC with a copy of all contracts and bonds in accordance with CPC purchasing procedures. Should the Supplier fail to satisfactorily perform the contract, the bonding company that provided the performance bond will be required to pay the dollar amount of the bond to the participating agency.

It is the Supplier's responsibility to ensure that they can obtain the required bonding for all construction products based on an awarded contract arising from this solicitation. Payment will not be issued for any project for which the required bonds have not been received.

With said construction-based project, the participating agency may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this solicitation and resulting Master Contract Agreement (i.e. project timeline, completion dates, progress payments, delivery requirements, invoice requirements, etc.). Any supplemental agreement developed because of the Master Agreement is exclusively between the Supplier and the participating agency. CPC, its agents, members, and employees shall not be a party to any claim for breach of such agreement.

#### 4. Insurance

The Vendor shall purchase, maintain and provide certification from the insurer for minimal coverage during the life of an awarded contract, to include, but not limited to, comprehensive public and/or commercial liability, errors and omissions, workman's compensation, unemployment, and other insurance coverage required by and applicable to each of NDESC's individual state's statutes and federal laws which proposed products and services will be offered and provided. Any required insurance that is canceled before the expiration date of the contract agreement, the issuing company will send immediate notice to NDESC. Respondents shall provide a statement of insurance from the issuing company or their authorized agent with their proposal. The Vendor shall meet the following requirements:

- a. Commercial General Liability: \$1,000,000 each occurrence, \$500,000 annual aggregate
- b. Automobile Liability: \$1,000,000 each occurrence
- c. Workers Compensation: \$100,000

NDESC reserves the right to consider and accept alternate forms and plans of insurance or to require additional or more extensive coverage for any individual requirement. The Vendor must provide the COI upon request.

#### 5. Procedure for Contract Award, Notification and Processing Orders

Once the award is recommended by the AEPA Review Committee, NDESC considers the recommendation based on the value of the potential contract for its participating agencies. In the event of an award by the NDESC Board of Directors, NDESC will inform its participating agencies of the award.

- a. Upon award and completion of the vendor orientation, NDESC will promote the contract opportunity to its membership in one or more of the following ways: websites; agency newsletters; hard copy marketing flier; Email announcements; contract catalog; and trade shows.
- b. NDESC will require a marketing flyer, brochure, or other similar marketing pieces, in an editable, electronic format, from each vendor promoting the available contract with the vendor, and/or a web page or link. NDESC may assist in the development of the marketing flier and material (if requested by the vendor), but in all cases shall have the authority to review and approve any marketing materials. If a web site is used, the link will be made available from the NDESC web page. Any web page or link, or other marketing tools shall be dedicated to NDESC and/or AEPA information only.
- c. When a participating agency identifies a desired product or service, the agency and the Vendor may negotiate with each other to establish a description of items and/or services. The Vendor shall quote a price to the member, using AEPA established discounts, including the two percent (2%) administrative fee in the quoted price not as a separate line item. The administrative fee shall be based upon the total cost of goods and/or services including installation costs.
- d. Ordering Methods
  - i. Participating agencies may use two (2) different methods of placing orders from the resulting contract: Purchase Orders (PO's) and procurement cards. The method of payment is at the discretion of the participating agency. Additional surcharges for the use of a procurement card must be clearly outlined.
  - ii. A PO may be issued to the Vendor on behalf of the participating agency ordering the services covered under the resulting contract. An issued PO will become part of the resulting contract. The PO indicated that sufficient funds have been obligated toward the purchase.
  - iii. Regardless of the method of ordering used, solely the contract and any modification determine performance time and dates.
  - iv. Performance under this contract is not to begin until receipt of a PO, procurement card order, or other notification to proceed by the participating agencies to proceed.
- e. NDESC requires that all participating vendors offer the contract opportunity to all NDESC participating agencies.

#### 6. Administrative Fees and Reporting

The administrative fee is to be paid by the Vendor to NDESC, quarterly, within 20 working days after the end of each fiscal quarter. The AEPA vendor shall also submit to NDESC a sales report, in Excel format, listing the following information:

- a. Name of purchasing agency
- b. Address of purchasing agency (city, state, zip code)
- c. Date of purchase
- d. Invoice number
- e. Amount of purchase
- f. Administrative fee generated by sale
- g. Savings generated by sale

This report shall include all sales made and payments received by the Vendor in said quarter. The sales report shall be emailed to Jane Eastes at [jeastes@lscs.org](mailto:jeastes@lscs.org) and copied to Lori Mittelstadt at [lmittelstadt@lscs.org](mailto:lmittelstadt@lscs.org). Payments must be received either via check or authorized ACH. An ACH enrollment/authorization form must be provided to NDESC for

completion. ACH remittance notification must be sent to the individual indicated on the ACH enrollment/authorization form prior to ACH payment. If mailing a check, the payment shall be delivered to Jane Eastes, NDESC, 1001 East Mt. Faith, Fergus Falls, MN 56537. The check shall be made out to Lakes Country Service Cooperative.

**7. Express Online Marketplace**

NDESC provides participating agencies with an online purchasing platform called Express, powered by EqualLevel. Through Express, agencies can search for and purchase items. Essentially, Express is a one-stop-shop for many of NDESC's commodity-based contracts. A Vendor does not have to have an e-commerce site to be included in Express. NDESC expects growth in the number of agencies utilizing the marketplace and the volume of sales to grow significantly. NDESC will work with the Vendor to determine if the contract agreement is suitable for the online platform. If deemed suitable, NDESC will require integration into Express promptly.

## 23. OREGON-Intermountain Educational Service District (IMESD)

### Oregon, Intermountain Educational Service District (IMESD)

#### *A. Additional Agency Terms and Conditions – all categories*

---

Intermountain Education Service District (“IMESD”) is an educational service district organized under the laws of the STATE OF OREGON. Pursuant to Oregon Law ORS 279A and IMESD is authorized to cooperate with other entities and in such regard is authorized to cooperate with them in the purchasing of goods and services pursuant to these contract documents. As other entities cooperate with IMESD to take advantage of the goods and services made available pursuant to these contract documents, the terms and conditions of any such sales shall be in accordance with the contract documents.

Additionally Senate Bill 3184 enables Oregon's Education Service Districts to offer the services they provide to component school districts to other organizations. For the past 10 years, the InterMountain ESD (formerly Umatilla-Morrow ESD) has been a leader in expanding revenue available for schools and IMESD programs by providing these services outside of 19 local school districts. (*Reference: [ORS 334.185](#)*)

Under Oregon public contracting rules, each individual public agency will have its own local rules it must adhere to, in addition to statewide public contracting laws. InterMountain Education Service District does not presume that its cooperative purchasing program will necessarily comply with every agency's internal public contracting rules. We always advise potential customers to review the bid solicitation carefully and recommend review by their legal department and/or procurement personnel to assure that contracting laws are complied with.

**ADVERTISING AND MARKETING:** Bidders must demonstrate they possess the necessary resources and have a proven track record to market, offer, obtain, deliver, install and provide the sales and technical support services to IMESD and its participating agencies within the state of Oregon in a timely and cost effective manner.

**APPLICABLE LAW AND VENUE:** Any dispute arising out of any of the contract documents, or out of their performance, shall be decided by litigation in the Circuit Court of the State of Oregon in the county of Owner's residence, the parties consenting to jurisdiction in said court and permanently waiving jurisdiction in any other court, state or federal. In the event of litigation the prevailing party shall be entitled to an award of reasonable attorney's fees and costs at trial and upon any appeal thereof.

In the event that the successful bidder breaches a term of condition of a contract awarded, the IMESD may terminate the contract. In addition to the right to terminate due to the successful bidder's breach, and all other rights and remedies contained in other provisions, the IMESD reserves all its rights and remedies at law and in equity available due to the breach.

**HAZARDOUS CHEMICALS:** The Successful bidder shall supply current MSDS for all products as required below even if these sheets have been supplied in previous years.

The agencies participating on IMESD agreement will need MSDS and labels for certain products defined as hazardous chemicals by the State of Oregon in accordance with ORS 654.025(2) and 656.726(3). The successful bidder has the responsibility to determine such products and to provide MSDS and labels for such products. The MSDS shall be received by the IMESD by or at the time of the initial shipment of such products. These requirements have been determined by the State of Oregon Workers Compensation Department, and published as Oregon Administrative Rules 437, Division 2 Hazard Communication. This document is available from Hazard Communication Coordinator, Accident Prevention Division, State of Oregon, Labor and Industries Building, 350 Winter St. NE, Salem, OR 97310, phone: (503) 378-3272 or (800) 922-2689 any local Accident Prevention Division Office.

**HOLD HARMLESS:** Bidders shall indemnify, hold harmless, and defend the IMESD from any and all liabilities, settlements, losses, penalties, costs, expenses, attorney fees (including attorney fees on appeal) in collection with any action, suit or claim based upon or allegedly based upon, resulting from or allegedly resulting from the successful bidder's negligence, omission, activities or services provided pursuant to a contract awarded to such bidder.

**LAW OF THE STATE OF OREGON:** Any contract between the IMESD and a bidder shall be entered into within the State of Oregon, and the laws of said state, whether substantive or procedural, shall apply to the contract.

In addition to any requirements listed, vendor shall comply with all, current, applicable state, federal and local laws, regulations and ordinances. If through mistake or otherwise any such provision is omitted then submission by either IMESD or the vendor-partner the contract shall be amended to make such inclusion or correction. IMESD Also reserves the right to

amend the contract resulting from state law changes. Vendor- partners will be sent written notification of such changes.

**SEVERABILITY:** The parties agree that if any term or provision of a resultant contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular term or provision held to be invalid.

**TAXES:** Taxes, whether State or Federal, shall not be included in bid prices. Our Employer Identification No: 93-6000924 indicated our tax exemption status as a political subdivision. Contractor must certify compliance with the Oregon tax laws in accordance with ORS 305.385 when applicable.

#### *D. Procedure for Agencies Processing Orders under IMESD in Oregon*

Once the award is made to the vendor, IMESD will market these contracts by: 1) including the contract on the IMESD website, 2) announcing the award in flyers, and 3) attending vendor events throughout school year. A list of schools, contact names, addresses and phone number can be accessed through the Oregon Department of Education website. At this point the vendor contacts schools and schools may contact the vendor. When the school/agency identifies a product or services and agrees on price it issues to Vendor a purchase order for that item or service, referencing the AEPA Bid number. The purchase order must include an additional two percent (2%) administrative fee in the total to be forwarded by the vendor to IMESD after the sale. All participating vendors agree to and are subject to audit proceedings of IMESD member sales.

Upon receipt of the purchase order, the vendor provides the goods or service listed on the purchase order. It is important to remember the vendor makes delivery to the member unless other arrangements are made in cooperation with IMESD. When all items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, vendor then invoices the member for the goods and service. This invoice includes the additional two percent (2%) administrative fee to the total amount invoiced of the goods or service provided by the vendor. This percent is based on the total sales of goods or services. The member then pays the vendor including the two percent (2%) administrative fee. IMESD then invoices the Vendor for the 2% administrative fee based on the sale of goods and services collected by the vendor.

#### *E. Agencies Allowed to Purchase under IMESD in Oregon*

The InterMountain Education Service District (IMESD) participates in a national non-profit organization, the Association of Educational Purchasing Agencies (AEPA), which is a procurement vehicle. The mission of IMESD's involvement with AEPA is to cooperatively serve Oregon state agencies members through a continuous effort to explore and solve present and future purchasing needs. AEPA goals include working to secure multi-state volume purchasing contracts with benefits that are measurable, cost-effective and continuously exceed our state member's expectations. InterMountain Education Service District is the member agency representing Oregon in AEPA through an IMESD board approved Memorandum of Understanding between all participating states that are all political subdivisions related to K-12 education. All AEPA bids have been advertised by IMESD in Oregon.

Pursuant to Oregon Law, ORS 279A, InterMountain Education Service District is authorized to offer these contracts to other government entities including school districts, state universities, community colleges, special districts, local and state government.

There is no fee or annual dues to become an IMESD agency member to purchase. InterMountain Education Service District's contract management efforts are funded by a nominal administrative fee paid by the vendor based on sales volume.

**iv) Davis-Bacon Act:**

When required by Federal program legislation, the Contractor agrees that, for all KPN member prime construction contracts/purchases more than \$2,000, the Contractor shall comply with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR § Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, the Contractor must pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Contractor shall pay wages not less than once a week.

Current Prevailing Wage determinations issued by the Department of Labor are available at <http://www.wdol.gov>.

The contractor agrees that, for any purchase to which this requirement applies, the award of the purchase to the contractor is conditioned upon the contractor's acceptance of the wage determination. The contractor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). **v) Contract Work Hours and Safety Standards Act:**

Where applicable, for all KPN member contracts or purchases more than \$100,000 that involve the employment of mechanics or laborers, the contractor agrees to comply with 40 U.S.C. § 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. § 3702 of the Act, the Contractor must compute the wages of every mechanic and laborer based on a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 apply to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

**vi) Rights to Inventions Made Under a Contract or Agreement:**

If the KPN member's federal award meets the definition of "funding agreement" under 37 CFR § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. The Contractor agrees to comply with the above requirements when applicable, but expressly retains as much of the entire right, title, and interest throughout the world to each subject invention as allowed by applicable law.

**vii) Clean Air Act and Federal Water Pollution Control Act:**

Clean Air Act (42 U.S.C. § 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. § 1251-1387), as amended – Contracts and sub-grants of amounts more than \$150,000 must contain a provision that requires the non-federal award to comply with all standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 U.S.C. § 1251-1387). When required, the Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

**viii) Debarment and Suspension:**

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR § 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR § 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, and parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The Contractor certifies that the Contractor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. The Contractor further agrees to immediately notify the KPN member of pending purchases or seeking to purchase from the contractor if the contractor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

**ix) Byrd Anti-Lobbying Amendment:**

Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352) – Bidders who bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-federal

funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. As applicable, Bidders agree to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

**x) Procurement of Recovered Materials:**

For KPN member's purchases utilizing federal funds, the Contractor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as the district may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the EPA at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

**xi) Profit as a Separate Element of Price:**

For purchases using federal funds in excess of the simplified acquisition threshold currently set at \$250,000, the KPN member may be required to negotiate profit as a separate element of the price. See, 2 CFR § 200.324(b). When the KPN member makes a reasonable determination that such information is required by law, the Contractor agrees to provide information and negotiate with the KPN member regarding profit as a separate element of the price for a particular purchase. However, the contractor agrees that the total price, including profit, charged by the contractor to the KPN member shall not exceed the awarded pricing.

**xii) Bonding Requirements:**

Pursuant to 2 CFR § 200.326, KPN requires applicable bid security, performance, and payment bonds on construction projects. As such, for construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold currently set at \$250,000, the federal awarding agency or pass-through entity may accept the bonding policy and requirements of the KPN member, provided that the federal awarding agency or pass-through entity has made a determination that the federal interest is adequately protected. If such a determination has not been made, the minimum requirements must be as follows:

- (1) A bid guarantee from each Bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the Bidder will, upon acceptance of the bid, execute such contractual documents as required within the time specified.
- (2) A performance bond on the part of the Contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the Contractor's obligations under such contract.
- (3) A payment bond on the part of the Contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

The bonding requirements set forth above are in addition to and not in limitation of any bonding requirements under applicable state law.

**xiii) Not-To-Exceed Price:**

If requested by the KPN Member, on any contract based on time and materials, the Contractor shall set a ceiling price that Contractor exceeds at its own risk pursuant to 2 CFR § 200.318(j).

**xiv) Contracting with Historically Underutilized Businesses:**

When possible, the Contractor should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of labor's list) are considered as set forth below. Such consideration means:

- (1) These business types are included on solicitation lists;
- (2) These business types are solicited whenever they are deemed eligible as potential sources;
- (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types;

- (4) Establishing delivery schedules (for example the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types;
- (5) Utilizing organizations such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- (6) Requiring any subcontractor to take the affirmative steps listed in subparagraphs (1) through (5) of this section if subcontracts are to be let.

**xv) Equivalent Products:**

- (1) **Comparable (Alternate) Products:** Where the specification states a named product followed by “or equal,” an alternate or comparable product may be bid; however, the burden is on the Bidder to provide evidence that a proposed alternate meets or exceeds the KPN specified named product and its attributes and that it provides an equal or better warranty. If comparable product(s) are proposed in the bid, the Bidder must provide a detailed comparison for each to include a list of all the significant qualities of the product named in the Specification and those of the proposed alternate product(s). Significant qualities include attributes such as performance, weight, size, durability, visual effect and specific features and requirements indicated. KPN reserves the right to reject proposed alternate products if it does not consider them equal to or better than the named product in the specification.
- (2) **Substitutions for Cause:** A Contractor (awarded bidder) may only propose substitutions pursuant to a purchase order submitted by a purchasing KPN member in the event of unavailability of product, regulatory changes, or unavailability of required warranty terms. The contractor must notify both KPN and the purchasing member of all substitutions for cause with full documentation at least thirty (30) working days before the commencement of work. All documentation must demonstrate that the proposed substitution is equal to or better than the specified product on all physical and in-service attributes and warranty provisions and can be implemented by subcontractors as necessary without disruption to the project. The purchasing member must approve all substitutions. The KPN member reserves the right to reject proposed alternate products if it does not consider them equal to or better than the named product in the specification.
- (3) **Substitutions for Convenience:** Bidders may not propose substitutions for convenience.

**xvi) Preference for American Made Materials:**

Contractor should to the greatest extent practicable and consistent with the law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). For purposes of this section:

- (1) “Produced in the United States” means that all manufacturing processes, from the initial melting stage through the application of coatings, occur in the United States for iron and steel products.
- (2) “Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.
- (3) Federal agencies providing federal financial assistance for infrastructure projects must implement the Buy America preferences set forth in 2 CFR part 184.

**xvii) Build America, Buy America Act:**

Where applicable, the Contractor agrees that unless a domestic preference requirement is waived by the United States Department of Education or other applicable agency, for infrastructure projects or activities funded by Federal grants or funds: (i) all iron and steel used in the infrastructure project or activity which is subject to the contract are produced in the United States; (ii) all manufactured products used in the infrastructure project or activity which is subject to the contract are produced in the United States; and (iii) all construction materials used in the infrastructure project or activity are manufactured in the United States. Build America, Buy America Act, Pub. L. No. 117-58, §§ 70901-52. Upon request, the Contractor shall provide, and shall cause its suppliers, manufacturers, and subcontractors to provide a certificate(s), on a form reasonably acceptable to the CSIU-KPN and the applicable member agency, certifying compliance with the sourcing requirements of the Build America, Buy America Act, Pub. L. No. 117-58, for the applicable infrastructure project or activity.

**xviii) General Compliance and Cooperation with KPN member:**

In addition to the foregoing specific requirements, the contractor agrees, in accepting any purchase order or contract from the KPN member, it shall make a good faith effort to work with the KPN member

to provide such information and to satisfy such requirements as may apply to the KPN member's purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements, and contract cost and price analyses required under the Uniform Guidance.

For example, the KPN member must perform a cost or price analysis in connection with every procurement transaction, including contract modifications, in excess of \$250,000. Such a cost analysis generally means evaluating the separate cost elements that make up the total price, while a price analysis means evaluating the total price without looking at the individual cost elements. Thus, the Contractor agrees to make a good-faith effort to work with the KPN member to complete such a cost or price analysis to comply with the law.

- e) **Historically Underutilized Businesses (HUBs).** KPN requests any small business, minority business, women's business enterprise, veteran-owned business or labor surplus area firm to identify their status as such so that it can be made known to interested KPN Members.
  - f) **Fair Labor Standards Act.** By submitting a bid, the Bidder certifies for itself, that to the best of its knowledge and belief, Bidder and all its subcontractors, properly classify employees in a manner consistent with the Fair Labor Standards Act, 29 U.S.C. 201, chapter 8 (FLSA), and that if awarded a contract, Contractor shall, and shall require its subcontractors, to continue to classify employees in a manner consistent with the FLSA. A Contractor must inform KPN if it or any of its subcontractors is found or determined to be classifying employees in a manner inconsistent with the FLSA. All notices must be in writing and received by KPN within 15 days of said finding/determination.
- 2) **Additional Member Agency Terms and Conditions for Non-Construction Products and Services**  
No additional terms and conditions for non-construction product and services are included.
- 3) **Additional Member Agency Terms and Conditions for Construction Products and Services**
- a) **Construction or Related Services.** The following items pertain to and only to construction, construction related services and athletic surfaces contemplated by a KPN contract. The awarded contractor agrees that in performance of the services required under a KPN contract to abide by all federal, state and local laws, regulations and ordinances where this contract is utilized, and regulations that may apply to renovations under this bid, including but not limited to those listed below. It is the responsibility of the contractor to determine the applicability and requirements of any such laws and to abide by them. Additionally, the contractor has the sole responsibility for the compliance with other matters in conjunction with the services to be performed hereunder.
    - i) **Performance and Labor Material Payment Bonds.** The contractor must provide a performance bond and a labor and material payment bond, each in the amount of 100% of the contract price, before award of the contract (Sections 756 and 757 of the Commonwealth of Pennsylvania Public School Code of 1949, as amended, and the Public Works Contractors Bond Law of 1967).
    - ii) **Discrimination Prohibited.** According to 62 PA CSA 3701, the contractor agrees that:
      - (1) In the hiring of employees for the performance of work under the contract or any subcontract, no contractor, subcontractor or any person acting on behalf of the contractor or subcontractor will by reason of gender, race, creed or color discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
      - (2) No contractor or subcontractor or any person on their behalf may in any matter discriminate against or intimidate any employee hired for the performance of work under the contract on account of gender, race, creed or color.
      - (3) The contract may be canceled or terminated by the government agency and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of that portion of the contracts.
    - iii) **Human Relations Act.** The provisions of the Pennsylvania Human Relations Act, Act 222 of October 27, 1955 (PL 744) (43 PS § 951 et. seq.) of the Commonwealth of Pennsylvania prohibit discrimination because of race, color, religious creed, ancestry age, sex, national origin, handicap or disability, by employers, employment agencies, labor organizations, contractors and others. The contractor agrees to comply with the provisions of this Act as amended that are made part of this specification. (CF: 16 PA Code 49 §101).
    - iv) **Competent Workmen Act.** Section 7-752 of the Commonwealth of Pennsylvania Public School Code of 1949 requires that when the total estimated cost of a project is \$25,000 or less, no person may be employed to do work under such a contract except competent first class workmen and mechanics. No

workmen are regarded as competent first class, within the meaning of this Act, except those who are duly skilled in their respective branches of labor, and who are to be paid not less than such rates of wages and for such hours of work as are established and current rates of wages paid for such hours by employers of organized labor in performance of similar work in the district where work is being done.

- v) **Pennsylvania "Prevailing Wage" Rates.** For projects for which the total estimated cost is greater than \$25,000, paid for in whole or in part out of funds of a public body, except for maintenance work or work performed under a rehabilitation program or manpower training program, "Prevailing Wages" must be specified. Further information on the implementation of the act, definition of maintenance work and prevailing wage rates is available from the Pennsylvania Department of Labor and Industry, (800) 932-0665 or (717) 787-4763. When applicable, the federal Davis-Bacon Wage Rates schedule for federally assisted projects applies. This regulation and the general Pennsylvania prevailing wage rates (Act 442 of 1961, PL 987, as amended) as determined by the Secretary of Labor and Industry, which must be paid for each craft or classification of all workers needed to perform the contract during the anticipated term therefore in the locality in which the public work is performed, are made part of this specification.
- (1) The general prevailing minimum wage rates, including contributions for employee benefits, as determined by the Secretary of Labor and Industry (hereinafter "Secretary"), are to be paid to the workmen, employed in the performance of the contract.
  - (2) The contractor will pay no less than the wage rates as determined by the Secretary and will comply with the conditions of the Pennsylvania Prevailing Wage Act approved August 15, 1961 (Act 442), as amended August 9, 1963 (Act 342), and the regulations issued pursuant thereto, to assure the full and proper payment of said rates.
  - (3) These contract provisions apply to all work performed on the contract by the contractor and to all work performed on the contract by all subcontractors.
  - (4) The contractor must insert in each of the subcontracts all of the stipulations contained in these required provisions.
  - (5) No workmen may be employed on the work except in accordance with the classifications set forth in the decision of the Secretary. In the event that additional or different classifications are necessary, the procedure set forth in the regulations will be followed.
  - (6) All workmen employed or working on the work are to be paid unconditionally regardless of whether any contractual relationship exists or the contractual relationship which may be alleged to exist between any contractor, subcontractor and workmen, not less than once a week without deductions or rebate, on any account, either directly or indirectly, except authorized deductions, the full amount due at the time of payment, computed at the rates applicable to the time worked in the appropriate classification. Nothing in this contract, the act or the regulations prohibits the payment of more than the general prevailing minimum wage rates as determined by the Secretary to the workmen of the work.
  - (7) The contractor and each subcontractor must post for the entire period of construction the wage determination decisions of the Secretary, including the effective date of any changes thereof, in a prominent and easily accessible place or places at the site of the work and at such place or places used by them to pay workmen their wages. The posted notice of wage rates must contain the following information:
    - (a) Name of project.
    - (b) Name of public body of which it is constructed.
    - (c) The crafts and classifications of workmen listed in the Secretary's general prevailing minimum wage rate determination for the particular project.
    - (d) The general prevailing minimum wage rates determined for each craft and classification and the effective date of any changes.
    - (e) A statement advising workers that if they have been paid less than the general prevailing minimum wage rate for their job classification or that the contractor and/or subcontractor are not complying with the Act or the regulations in any manner whatsoever, they may file a protest with the Secretary within three (3) months of the date of the occurrence, objecting to the payment to the contractor to the extent of the amount or amounts due or to become due to them as wages for work performed on the project. Any workmen paid less than the rate specified in the contract have a civil right of action for the difference between the wage paid and wages stipulated in the contract, which right of action must be exercised within six (6)

months from the occurrence of the event creating such right.

- (f) The contractor and all subcontractors must keep an accurate record showing the name, craft and/or classification, number of hours worked per day, the actual hourly rate of wage paid (including employee benefits) to each worker employed in connection with the work and such record must include any deductions from each worker. The record must be preserved for two (2) years from the date of payment and is open at all reasonable hours to the inspection of the owner and the Secretary or the Secretary's authorized representative.
  - (g) Apprentices are limited to such numbers as in accordance with a bona fide apprenticeship program registered with and approved by the Pennsylvania Apprenticeship and Training Council and only apprentices whose training and employment are in full compliance with the provisions of the Apprenticeship and Training Act approved July 14, 1961 (Act No. 304) and the rules and regulations issued pursuant thereto will be employed on the work. Any workers using the tools of a craft who do not qualify as apprentices within the provisions of this submission must be paid the rate predetermined for journeymen in that particular craft and/or classification.
  - (h) Wages will be paid without deductions except authorized deductions. Employers not party to a contract requiring contributions for employee benefits, which the Secretary has determined to be included in the prevailing minimum wage rate must pay the monetary equivalent thereof to the worker.
  - (i) Payment of compensation to workers for work performed on public work on a lump sum basis, or a piece work system, or a price certain for the completion of a certain amount of work, or the production of a certain result will be deemed a violation of the Act and the regulations, regardless of the average hourly earnings resulting there from.
  - (j) Each contract and each subcontractor must file a statement each week and a final statement at the conclusion of the work on the contract with the owner, under oath, and in form satisfactory to the Secretary, prescribed by the regulations, or if any wages remain unpaid, to the amount of wages due and owing to each worker respectively.
  - (k) The provision of the Act and the regulations are incorporated by reference in the contract.
- vi) **Standard of Quality.** The various materials and products identified in the specifications by name or description are stated to establish a standard of quality and of cost for bid or proposal purposes.
- (1) **Named Products:** Items identified by the manufacturer's name. The specification may also include make, model number or other designation shown or listed in the manufacturer's product literature current at the time of the bid. KPN reserves the right to require that a single manufacturer or source be provided and that no comparable products (alternates) or substitutions may be accepted.
  - (2) **Comparable (Alternate) Products:** Where the specification states a named product followed by "or equal," an alternate or comparable product may be bid; however, the burden is on the bidder to provide evidence that a proposed alternate meets or exceeds the KPN specified named product and its attributes and that it provides an equal or better warranty. If comparable product(s) are proposed in the bid, the bidder must provide a detailed comparison for each to include a list of all the significant qualities of the product named in the Specification and those of the proposed alternate product(s). Significant qualities include attributes such as performance, weight, size, durability, visual effect and specific features and requirements indicated. KPN reserves the right to reject proposed alternate products if it does not consider them equal to or better than the named product in the specification.
  - (3) **Substitutions for Cause:** A contractor (awarded bidder) may only propose substitutions pursuant to a purchase order submitted by a purchasing KPN member in the event of unavailability of product, regulatory changes or unavailability of required warranty terms. The contractor must notify both KPN and the purchasing member of all substitutions for cause with full documentation at least thirty (30) working days in advance of the commencement of work. All documentation must demonstrate that the proposed substitution is equal to or better than the specified product on all physical and in-service attributes and warranty provisions and can be implemented by subcontractors as necessary without disruption to the project. The purchasing member must approve all substitutions.
  - (4) **Substitutions for Convenience:** Bidders may not propose substitutions for convenience.
- vii) **Provisions for the Use of Steel and Steel Products Made in the United States.** In accordance with

Act 3 of the 1978 General Assembly of the Commonwealth of Pennsylvania, if any steel or steel products are to be used or supplied in the performance of the contract, only those produced in the United States as defined therein will be used or supplied in the performance of the contract or any subcontracts thereunder in accordance with Act 161 of 1982, and cast iron projects must also be included and produced in the United States. Act 141 of 1984 further defines "steel products" to include machinery and equipment. The act also provides clarifications and penalties.

- viii) **Prohibition on Cash Allowances.** Cash allowances are prohibited.
- ix) **Time(s) of Completion of the Project.** Completion dates for projects must be stated in terms of actual date(s) or the number of calendar working days after notice to proceed with the work not to exceed one hundred eighty (180) calendar days unless otherwise agreed upon by member.
- x) **Owner's Compliance in Retaining Payments.** Unless a member stipulates otherwise, payment retentions and progress payments are as follows: Ten percent (10%) of all contract payments are retained by the member as insurance of proper performance of the prime contractor. The prime contractor agrees to identify the amount of the invoices sent to the member agencies, then report usage of the contract and sales volume to KPN. When fifty percent (50%) of the work is completed, as determined by the member agency, one-half (1/2) of the amount retained will be paid to the prime contractor, if the prime contractor requests payment, provided that the prime contractor is making satisfactory progress and there is no specific cause for greater withholding. After fifty percent (50%) of the work is completed, not more than five percent (5%) of the amount of any subsequent progressive payments may be retained, unless the governing board of the member agency determines that satisfactory progress is not being made, at which point ten percent (10%) retention may be reinstated. If the member and the prime contractor agree to a substitute security, the agreement must fully comply with Pennsylvania law. If the substitute security is agreed to, the prime contractor must provide KPN and the member with a signed and acknowledged waiver of any right or power of the obligor to set off any claim against KPN, the member, or the prime contractor, in relationship to the security assigned. The prime contractor, as authorized above, will pay any interest due a subcontractor or material supplier. A subcontractor to the prime contractor may request, in writing, that the subcontractor be notified within five (5) days of payment of each progress payment made to the prime contractor. It is the responsibility of the prime contractor to inform all suppliers and subcontractors that this contract is a cooperative purchasing contract. Once all bonds are in place, the prime contractor and the authorized agent of purchasing KPN member will agree in writing upon a schedule of payments based on identifiable milestones. Retention of payments must be done in accord with 62 PA CSA 3921.

A contract containing a provision for retainage as provided in 62 PA CSA 3921 must contain a provision requiring the architect, engineer or purchasing member complete the final inspection within thirty (30) days of the receipt of the request of the contractor for final inspection and application for final payment. If the work is substantially completed, the architect, engineer or purchasing member issues a certificate of completion and a final certificate for payment, and the purchasing member agency must make payment within 45 days, except as provided in §3921, less only one and one half (1½) times the amount required to complete any then-remaining uncompleted minor items, which amount must be certified by the architect, engineer or purchasing member and, upon receipt by the purchasing KPN member of any guarantee bonds which may be required, in accordance with the contract, to insure proper workmanship for a designated period of time. The certificate provided by the architect, engineer or purchasing member must list in detail each uncompleted item and a reasonable cost of completion. Final payment of any amount withheld for the completion of the minor items is due upon completion of the items as listed in the certificate issued by the architect, engineer or purchasing member.

- xii) **Workers' Compensation Act.** The contractor accepts, insofar as the work covered in the contract is concerned, the provisions of the Workers' Compensation Act 44 of 1993, and any supplements or amendments thereof, including any which may be passed in the future, and insures the contractor's full liability thereunder for all parts of the contract performed by the contractor or any of the contractor's partners, associates, employees or those the contractor may employ herein, or file with the purchasing KPN member a certificate of exemption from insurance issued by the Bureau of Workers' Compensation of the Department of Labor and Industry.

The contract at all times indemnifies and holds harmless the CSIU, KPN and KPN member agencies of

The contractor must be covered by Employers' Liability Insurance with a minimum limit of \$250,000 for each employee, \$2,000,000 policy limit and \$250,000 for each accident.

- xii) **Background Checks.** Pursuant to Section 1-111 of the Commonwealth of Pennsylvania Public School Code and Sections 6354 – 6358 of the Public Welfare Code, known as Acts 33, 34, 114 and 151, and any such sections that will be appended to such in the future, all persons hired to work on the premises of public or private schools or agencies serving children, including independent contractors and their employees, are required to obtain background checks prior to entering the premises to perform the work. The background checks consist of the State Police Criminal History Record Information, the Pennsylvania Child Abuse History Clearance Form and the Federal Criminal History Record (FBI electronic fingerprinting). Contractors are required to perform the following measures:
- (1) Assume the costs for the background checks.
  - (2) Identify all employees working on the premises of the project and present the original official documents containing background check information to the superintendent or superintendent's designee prior to the beginning of work. The school must make photocopies of the background checks, notate each with the date on which the original document was inspected and the name of the administrator who viewed the original. Such copies will be retained in the purchasing KPN school member's records, with the originals returned to the contractor.
  - (3) If new employees are added to the workforce during the course of the work, the contractor must follow the same procedures set forth above, §§ (1) and (2) prior to the new employee(s) working on the premises.
  - (4) The school entity must notify the contractor in writing if the decision to reject the contractor or any of the contractor's employees is based in whole or part on information revealed in the background checks.
  - (5) The purchasing KPN school member must follow the regulations promulgated by the State Board of Education concerning the confidentiality of the information contained in the background checks obtained pursuant to these laws and regulations.
  - (6) Upon written notice from the purchasing KPN school member, contractors must remove all persons declared unfit from the premises and project. The school district's right to declare such persons unfit is not limited to the required exclusion of persons from school property as set forth in Section 1-111 of the Pennsylvania School Code and/or Act 151 of 1994.
  - (7) The following applies to all prevailing wage projects:  
**E-Verify.** The successful Bidder and its subcontractors (as such term is defined in the act) are required to comply with the Public Works Employment Verification Act, Act No. 127, July 5, 2012 (formerly Senate Bill 637). All Bidders shall submit with their Bid a Public Works Employment Verification Form (the "Verification Form") to CSIU - KPN in the form published by the Commonwealth of Pennsylvania, Department of General Services. Per the act, the Verification Form is to be obtained from the Secretary of the Pennsylvania Department of General Services. The Verification Form is presently available on the Department of General Services website. Per the act, the Verification Form shall include a certification that the information in the statement is true and correct and that the individual signing the statement understands that the submission of false or misleading information in connection with the verification shall subject the individual and the public works contractor or subcontractor, as the case may be, to sanctions provided by law; and the verification form shall be signed by a representative of the public works contractor or subcontractor, as applicable, who has sufficient knowledge and authority to make the representations and certifications contained in the statement. Prior to award of a contract or purchase order by a Member Agency to the successful Bidder for a particular project, the successful Bidder shall submit to the Member Agency a Verification Form. Per the act, the successful Bidder's subcontractors shall provide to the Member Agency, and successful Bidder shall cause its subcontractors to provide to the Member Agency, their Verification Forms prior to commencing work on the Member Agency's project.

Bidders are required to submit the E-Verify form along with any other state required forms to members before commencing work on any project.

- xiii) **Prevention of Environmental Pollution.** Section 3301 of the Commonwealth of Pennsylvania Procurement Code (Chapter 33 enacted May 15, 1998) requires that all IFBs and RFPs for construction projects issued by any governmental agencies require adherence to all applicable provisions of federal and state statutes, rules and regulations addressing prevention of environmental pollution and preservation of public natural resources that affect the project.
- xiv) **Architectural Services.** For those Members who are Pennsylvania Public School Districts, and whose projects require architectural or engineering services, your attention is directed to Section 7-751.1 of the Pennsylvania Public School Code (24 P.S. § 7-751.1), which requires a public school district to engage an architect/engineer that is independent from the Vendor/Contractor's architect/engineer.
- xv) **Multiple Prime Contractors.** For those Members who are Pennsylvania Public School Districts, your attention is directed to Section 7-751 of the Pennsylvania Public School Code (24 P.S. § 7-751), which requires a public school district to use separate prime Contractors for plumbing, heating and ventilating, and electrical work. To the extent a school district's project extends beyond general construction services, the school district will need to separately bid plumbing, heating and ventilating, and electrical work, and should consult with its individual solicitor for compliance with Section 7-751. For other Members who are subject to multiple prime requirements under applicable bidding laws, such Members should consult with their individual solicitors for compliance with said requirements.

#### 4) Procedure for Processing Orders

Once the award is made to the Contractor/vendor, KPN will inform its members of the contract by: (1) including the contract in the agency database that is available on the KPN website, (2) announcing the award in its periodic newsletter, and (3) publishing the contract information in a catalog disseminated to all members. A list of members (institution name and address) will be made available to the vendor in an electronic format. At this point the Contractor/vendor contacts the members and members may contact the Contractor/vendor. When the member identifies a product or service it issues a purchase order for that item to the vendor. The vendor's price to its members will include the following administrative fees: currently 2% (two percent) on all supplies, equipment and construction, rental or lease, annual subscription fee, etc.; and others administrative fees as approved by KPN and will be collected from the member or other qualifying purchaser. KPN reserves the right to adjust the administrative fee at any time during the duration of the contract and any renewal period or to modify the administrative fee based on volume of purchase. If the administrative fee is reduced due to the size of the project the vendor will show the adjustment on the quote. The vendor will also compile a quarterly report showing all purchases made by KPN members under this contract. The vendor will make all administrative fee payments to KPN by the 20<sup>th</sup> of the succeeding month of each 3-month calendar quarter after they have received payment from the member agency and all checks are to be made payable to the Central Susquehanna Intermediate Unit (CSIU) and sent to Keystone Purchasing Network, 90 Lawton Lane, Milton, PA 17847, and Attention: Mark C. Carollo. All reporting of purchases will be made using the provided Excel spreadsheet and will be broken down by entity by state and will show Order Date, Agency Name, Street Address, City, State, Zip, PO #, and Total Price. Optionally, Item #, Item Description, Manufacturer #, Qty, Extended Advertised Price can be included.

#### 5) Agencies Allowed to Purchase under the Member Agency

The Keystone Purchasing Network (KPN) is a cooperative purchasing program operated by the Central Susquehanna Intermediate Unit under various state inter-governmental cooperation laws. Every public school district in the state is eligible to become a member and must complete a membership application with the KPN. No member is obligated to use these services, but they find the benefits of low price and not needing to go through the bidding process most advantageous. Only those members listed on an approved KPN membership list are eligible to purchase under these contracts. This list may change during the contract period and currently includes members from Pennsylvania, Maryland, New York, Delaware, District of Columbia and other Northeast & Mid-Atlantic states. Vendors may choose to offer KPN in other non-AEPA member states where cooperative purchasing laws allow.

Additional members may include other public educational institutions in the state, college, university, community colleges, vocational schools, charter schools, municipal and county governments and other eligible non-profit organizations from Pennsylvania or any other state where a member is located. Membership from other entities is permitted by various intergovernmental cooperative purchasing laws or regulation from their home state.

As member agencies from other states are added to the membership of the KPN the awarded vendor(s) agrees to

abide by all state and local laws and/or regulations that may apply to any purchase of products, services or construction by these agencies. KPN reserves the right to market any AEPA contract under any cooperative program name that it may choose in the future on a national basis in any non-AEPA member state.

  - e. Pay for all permits, licenses and fees and give all notices and comply with all laws, ordinances, rules, regulations, and policies of the County.

  - e. Stipulate that the presence of a County Inspector shall not lessen the obligation of the Contractor for performance in accordance with the contract requirements, or be deemed a defense on the part of the Contractor for infraction thereof. The Inspector is not authorized to revoke, alter, enlarge, relax, or release any of the requirements of the contract documents. Any omission or failure on the part of the Inspector to disapprove or reject any work or material shall not be construed to be an acceptance of any such defective work or material. Notification of an omission or failure will be documented by the Purchasing Agent.
32. **INDEMNIFICATION**-
- a. General Indemnification. Contractor must indemnify, keep and save harmless, and defend the County, its agents,

officials, employees and volunteers against Claims that may accrue or arise against the County as a result of the granting a contract, if the Claim was caused by the negligent or wrongful act, error, or omission of the Contractor, its employees, its subcontractor, or its subcontractor's employees. As used in this Section, a Claim includes: injuries, death, damage to property, breach of data security, suits, liabilities, judgments, or costs and expenses. Upon request by the County, the Contractor must at its own expense: appear, defend, and pay all attorney's fees and all costs and other expenses related to the Claim. If, related to a Claim, any judgment is rendered against the County or a settlement reached that requires the County to pay money, the Contractor must at its own expense satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this Contract, or otherwise provided by the Contractor, does not limit the Contractor's responsibility to indemnify, keep and save harmless, and defend the County as provided in this Contract.

- b. Intellectual Property Indemnification. In addition to the General Indemnification, Contractor will indemnify the County for and defend the County against third-party claims for infringement of any valid United States patent, trademark or copyright by the Contractor's products, software, services, or deliverables. Contractor must indemnify the County for any loss, damage, expense or liability, including costs and reasonable attorney's fees that may result by reason of any such claim.

In the event of a claim covered by this subparagraph, and in addition to all other obligations of Contractor in this Paragraph, Contractor must at its expense and within a reasonable time: (a) obtain a right for the County to continue using such products and software, or allow Contractor to continue performing the Services; (b) modify such products, software, services or deliverables to make them non-infringing, while remaining functionally equivalent or better; or (c) replace such products or software with a non-infringing equivalent. If, in the Contractor's reasonable opinion, none of the foregoing options is feasible Contractor must immediately notify the County and accept the return of the products, software, services, or deliverables, along with any other components rendered unusable as a result of the infringement or claimed infringement, and refund to the County the price paid to Contractor for such components as well as any pre-paid fees for the allegedly infringing services, including license, subscription fees, or both. Nothing in this Paragraph, however, relieves the Contractor of liability to the County for damages sustained by the County by virtue of any breach of contract related to a third-party infringement claim.

- c. Right to Participate in Defense. The County may, at its sole expense, participate in the defense or resolution of a Claim. Contractor will have primary control of the defense and resolution of the Claim, except when such defense or resolution requires the County to (i) admit liability or wrongdoing; or (ii) to pay money. In either of these cases, Contractor must obtain the County's prior written consent before raising such defense or entering into such resolution.
- d. No Indemnification by the County. The parties agree that under applicable law the County cannot indemnify or defend the Contractor. To the extent any provision or term contained in this Contract, including any exhibits, attachments, or other documents incorporated by reference therein, includes an indemnification or obligation to defend by the County, that provision or term is deemed stricken from this Contract and shall be of no force or effect.

In the event of conflict between the terms of this paragraph and any other provision of the contract, this paragraph will in all events govern and control.
37. **CONTRACTUAL DISPUTES**-
- a. Any dispute concerning a question of fact as a result of a contract with the County which is not disposed of by agreement shall be decided by the Purchasing Agent, who shall reduce her decision to writing and mail or otherwise forward a copy to the Contractor within ninety (90) days. The decision of the Purchasing Agent shall be final and conclusive unless the Contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. The term of the agreement shall commence on the date of the award and continue as stipulated in the General Terms and Conditions, unless terminated, canceled or extended.

**Use of Tobacco on School Districts/Public Agency Premises:**

**B. Order Procedure**

After entering into an agreement with KCDA, KCDA will confirm the directions for placement of orders with the Vendor and will post directions on the KCDA website for both Vendor and members. These directions will also be posted on each awarded Vendor's website.

- Once the award is made to the Vendor, KCDA will inform members of the contract.
- At this point the Vendor may directly contact members or the member may contact the Vendor.
- Before a Vendor may enter into business with a KCDA member, they need to verify membership through the KCDA website, which can be viewed under Membership.

*Invoicing/Reporting*

- KCDA will contact Vendors about invoicing procedures.
- KCDA is funded through a service fee paid to KCDA by the participating Vendors. The service fee percentage is based upon the total sale of goods and services, including installation, if applicable. This fee shall be reflected in all price quotations under the KCDA agreement. The service fee will be **2%**. Do not print the service fee as a separate line item on the quotation.
- The Vendor will compile an electronic quarterly report listing each purchase made by participating members. Within 30 days after each quarterly period the report will be sent to the e-mail address of the KCDA Executive Director, Bart Powelson at [bpowelson@kcda.org](mailto:bpowelson@kcda.org) and CFO, Yohan Lee at [ylee@kcda.org](mailto:ylee@kcda.org).
- These reports shall be in Microsoft Excel format and shall have file names that identify the Vendor and the quarterly period being reported. They shall include the following fields and allow for sorting on any of the fields: Date of order, name of member, item purchased, quantity, unit price, extended price, service fee, member PO #, Vendor order number.
- KCDA reserves the right to change the contact name of existing KCDA personnel administering the contract. If there are personnel changes, reports and payments will be sent to the new contact(s) specified.

### C. Agencies Allowed to Purchase under KCDA

King County Directors' Association (KCDA) is a member owned purchasing cooperative representing 294 Washington State public school districts. In addition, KCDA provides purchasing and procurement services for more than 1,800 public agencies and political subdivisions in Washington and other states, including but not limited to Alaska, Idaho, Montana, and Oregon. KCDA also provides purchasing services for accredited private K-12 schools in Washington State.

A listing of all KCDA members is available on the KCDA website, [www.kcda.org](http://www.kcda.org).

### D. KCDA Additional Terms & Conditions for Construction Products and Services

Vendor agrees that, in performance of the services required under this agreement, Vendor shall abide by all federal, state, local and Washington law and regulations that may apply to construction and public works. It is the responsibility of the Vendor to determine applicability and requirements of any such laws and to abide by them.

#### a) Public Works:

State of Washington statute requires workers be paid **prevailing wages** when employed on **public works** projects and on public building service maintenance contracts. (RCW 39.04.010, RCW 39.12.010 and 020) It is the contractor's responsibility to be acquainted with and comply with State regulations regarding payment of prevailing wages on public works projects. Prevailing Wages are established by the Washington State Department of Labor and Industries and can be obtained on the web at <https://secure.lni.wa.gov/wagelookup> or by contacting Labor and Industries at 360-902-5335. KCDA serves all counties in Washington State. The County in which the project is located will be identified once a member initiates a request for the service, and the effective wage rate to be applied to a specific project is to be based on the date of this bid during the original contract term, and if contract extensions are granted, the prevailing wage rate in effect at the time of the latest extension.

*Application:* The Public Works Act regulates wages paid to workers, laborers and mechanics performing public work. It does not apply to work that is clerical, executive administrative or professional in nature. It does not apply to work of a secretary, engineer or administrator, unless they are performing construction work, alteration work, repair work, etc. Prevailing wage application depends on the work that is performed, regardless of the worker's job title. (RCW 39.12.020 and WAC 296-128-510 through 530)

*Definition:*

Public Works is all work, construction, alteration, repair or improvement that is executed at the cost of the state or any other local public agency. This includes, but is not limited to, demolition, remodeling, renovation, road construction, building construction, ferry construction and utilities construction. (RCW 39.04.010)

Public Building Service Maintenance Contracts: Prevailing wages are also required on all public building service maintenance contracts. (RCW 39.12.020)

**Contractors bidding a Public Works project exceeding \$1,000,000.00 must declare who their HVAC, Mechanical and Electrical subcontractors will be within one hour of bid submission and the listing of structural installation and rebar installation subcontractors within 48 hours of bid submission, and submit this information with bid documents in order for the bid to be responsive. (RCW 39.30.060).**

*Apprentice Utilization Requirements (AURs)*

Public works projects should conduct a 15% apprentice utilization requirement if the project belongs to any of below,

- State public works estimated to cost \$1 million dollars or more;
- Department of Transportation projects estimated to cost \$2 million or more;
- All school district public works projects estimated to cost \$1 million or more; and
- All public works by a state four-year institution of higher learning estimated to cost \$1 million or more.

And one of three requirements should happen on a project:

- The project meets the 15% AUR;
- The project does not meet the 15% AUR, however the awarding agency approves a good faith effort; or
- The monetary penalty written in the contract is assessed.

Good faith efforts are for the entirety of a project, not a single occupation unless there happens to be only one apprenticeable occupation on the project. Therefore, the prime contractor cannot only consider their occupation(s) when requesting a good faith effort and leave out the occupations and workforce used by subcontractors.

Within existing resources, awarding agencies are responsible for monitoring apprenticeship utilization hours by contractor. There must be a specific line item in the contract specifying that apprenticeship utilization goals should be met, monetary incentives for meeting the goals, monetary penalties for not meeting the goals, and an expected cost value to be included in the bid associated with meeting the goals. The awarding agency must report the apprenticeship utilization by contractor and subcontractor to the Supervisor of Apprenticeship at the Department of Labor and Industries by final project acceptance. The electronic reporting system that is being developed by the Department of Labor and Industries may be used for either or both monitoring and reporting apprenticeship utilization hours.

Refer to RCW 39.04.320, which covers apprentice utilization on public works projects for detailed information.

Reciprocity: In accordance with RCW 39.04.380 any bidding process for public works in which a bid is received from a nonresident contractor from a state that provides a percentage bidding preference, a comparable percentage disadvantage must be applied to the bid of that nonresident contractor. This does not apply to public works procured pursuant to RCW 39.04.155, 39.04.280 or other procurement exempt from competitive bidding.

**b) Prevailing Wage:**

*Definition:* Prevailing Wage is the hourly wage, usual benefits and overtime, paid in the largest city in each county, to the majority of workers, laborers and mechanics. The rate is established by the Department of Labor and Industries for each trade and occupation employed in the performance of public work. If Federal funds are used, bidders must comply with provisions of the Davis-Bacon Act.

*Basic procedures:* A Statement of Intent to Pay Prevailing Wages and Affidavit of Wages Paid must be filed and approved for the contractor and all subcontractors. No payments can be made until all contractors/subcontractors have submitted an approved intent form. KCDA cannot release retainage until all Contractors have an approved Affidavit of Wages Paid form certified by the Industrial Statistician. (RCW 39.12.030, 040, 042) Once the work is successfully completed, KCDA will release 95% of the project cost and withhold 5% retainage for 45 days as dictated by law. The final 5% will be paid when the following is completed: Receipt of approved Affidavit of Wages Paid Forms, Releases from Washington State Department of Labor & Industries, Employment Security Department and the Department of Revenue, and acceptance of project completion to the satisfaction of the KCDA ordering member. **The cost of filing required Intents and Affidavits is the responsibility of the Contractor, and may not be added as a line item charged to the member agency. All Intents and Affidavits must name the agency for whom work is being performed as the contract award agency, not KCDA.**

*Federally Funded Projects:* In addition to the Federal Requirements of Section III, Housing and Urban Development (HUD) Terms and Conditions, **Davis-Bacon** prevailing wage requirements apply to public works construction contracts of \$2,000 or more when a project includes any federal funding of any amount. When there is a difference between applicable state and federal prevailing wages for a particular classification of labor, contractors and subcontractors are required to pay the higher of the two prevailing wages. Applicable federal prevailing wage determinations can be found at <https://sam.gov/content/wage-determinations>. Contractors/Subcontractors must be knowledgeable and adhere to all federal prevailing wage requirements, including but not limited to paying workers weekly and providing certified weekly payrolls for the contractor and subcontractors of any tier as required in the Davis-Bacon Act and applicable U.S. Department of Labor regulations. Falsification of any prevailing wage payroll records may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of Title 18 and section 231 of Title 31 of the United States Code. Contractor shall inform all subcontractors of the Davis-Bacon requirements and the prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses. Contractor must coordinate all requirements related to federal funded projects with the KCDA member Agency.

**c) Responsible Bidder:**

  - c. As of July 1, 2019, WA Labor and Industries has required all businesses to have public works training before bidding and/or performing work on public works projects. This training requirement has been added to the responsible bidder criteria in RCW 39.04.350 and RCW 39.06.020. Awarding agencies are required to verify all contractors submitting bids meet this requirement before awarding the contract.
- 6. At the time of bid submittal, provide signed sworn statement in accordance with RCW 5.50 verifying under penalty of perjury that the bidder is in compliance with the new responsible bidder criteria requirement.
- 7. Supplemental Bidder Responsibility Criteria. Modification of supplemental criteria shall be at KCDA’s discretion. Any modifications to the supplemental criteria shall be made by addenda prior to bid opening.

Subcontractor Responsibility

The contractor shall include the language of this section in each of its first tier subcontracts, and shall require each of its subcontractors to include the same language of this section in each of their subcontracts, adjusting only as necessary the terms used for the contracting parties. - 6. Have an elevator contractor license, if required by Chapter 70.87 RCW.

Payment & Performance Bond:

The prime Contractor shall provide a Performance and Payment Bond at 100% of the contract price to the KCDA member with a copy to KCDA before work begins. The only exception is for contracts of one hundred fifty thousand (\$150,000) dollars or less. In this instance, at the option of the Contractor, the member may in lieu of the bond retain ten percent of the contract amount for a period of thirty days after date of final acceptance, or until receipt of all necessary releases from the Department of Revenue, Employment Security Department, and the Department of Labor and Industries and settlement of any liens filed under RCW 60.28, whichever is later. The bond shall be issued by a surety company authorized to do business in the State of Washington and shall be on standard forms used for public projects (RCW 39.08.010) and as directed by the KCDA member.

Performance and Payment bonds for KCDA members outside Washington must be provided by companies licensed to provide bonds for public entities in the member’s state.

Licenses

The prime contractor shall possess and maintain in current status all federal, state, and local licenses, bonds, and permits required for the performance and delivery of any and all products and services offered in its response to the bid solicitation. Before submitting a bid, Bidders must hold a current, valid contractor’s license as required in Washington. The contractor’s license must be in the name of the legal entity submitting and signing the bid. A Bidder may not substitute a contractor’s license held by a subcontractor or joint venture. Bidders submitting bids in Washington State without a valid contractor’s license in the name of the Bidder are in violation of RCW 18.27.020.

It is the responsibility of the prime contractor to ensure any subcontractors performing under this contract hold and maintain appropriate licenses.

KCDA reserves the right to request copies of licenses at any time during the contract. Copies of licenses, upon request, must be submitted to the member prior to performing the work. The Contractor agrees to keep and ensure

subcontractors keep any required license, permit or bond current and in compliance with Washington rules, regulations and statutes, as well as in states outside Washington in which contractor performs work under this contract. For work performed for any Washington State school district, public agency or municipality, the Contractor must comply with the bidder responsibility requirements of RCW 39.04.350 prior to the KCDA member awarding a contract. The contractor must verify the responsibility of all subcontractors used in accordance with RCW 39.06.020.

**d) Permits:**

Obtaining permits is the responsibility of the Member. Awarded Contractor may provide guidance and/or assistance in obtaining necessary permits. If Contractor does obtain permits on behalf of member, all fees are viewed as a “pass through” with no upcharge to the member.

**e) Certificate of Insurance:**

A certificate of insurance demonstrating current coverage of the types and amounts of insurance required by KCDA and the KCDA member must be provided to the KCDA member prior to performance of any work. In addition, the Commercial General Liability policies must be endorsed to name KCDA and the KCDA member as additional insureds. Such policies must be further endorsed to provide that the insurance is primary as respects KCDA and the KCDA member, and that any other insurance maintained by KCDA and the KCDA member shall be excess and not contributing insurance with the Contractor’s insurance. These endorsements must be provided along with the certificate of insurance. The KCDA member must approve the certificate of insurance and endorsements.

**f) Acceptable Pricing Method:**

KCDA is unable to accept Alternative Costing Method quotations except in certain limited instances, (i.e. sole source) in which KCDA and Vendor may mutually determine the Alternative Costing Method is acceptable. This will be the exception rather than the rule. RS Means or line item bid pricing is acceptable.

**g) Progress Payments:**

The Contractor shall be paid, upon submission of a proper Payment Request, the prices stipulated herein for work performed (less deductions, if any), in accordance with all payment and retainage instructions herein. Submitted Payment Requests must contain the following minimum information:

- a. Contract Number
- b. Bid item ID, bid quantity, unit, unit price and description as appropriate
- c. Sales Tax as applicable

The Payment Request will be reviewed by the Member before payment is made. If the Member is in disagreement with the Payment Request, KCDA will issue a notice requesting a revised Payment Request.

KCDA, at its discretion, reserves the right to withhold payment on a given project, pending receipt of payment from the customer.

In accordance with RCW 51.12.050, KCDA reserves the right to deduct from the payment any outstanding industrial insurance premiums owed by the Contractor or Subcontractors.

**h) Payment Retainage:**

In accordance with RCW 60.28 contract retainage [*not to exceed five percent of the moneys earned by the contractor toward completion of a public improvement contract*] shall be withheld and reserved in one of two ways:

- a. As a trust fund for the protection and payment of 1) the claims of any person arising under the contract, and 2) the state with respect to taxes imposed pursuant to Titles 50, 51 and 82 RCW which may be due from such contractor. Upon completion of a contract, the member agency shall notify the Department of Revenue, the Employment Security Department, and the Department of Labor and Industries of the completion of contracts over thirty-five thousand dollars. KCDA will issue payment on the retainage amount forty-five days after notice from the KCDA Member Agency that the contract has been accepted as complete or upon receipt of all necessary releases, whichever is later.
- b. Option of providing retainage bond for the full amount of the retainage (5% of the contract amount with a performance bond). This bond is separate from the performance bond under RCW 39.08.10. Providing a retainage bond means no retainage is withheld. If you choose to provide a retainage bond, a copy of the bond must be submitted.

**i) Force Majeure:**

Except for payments of sums due, neither party shall be liable to the other, nor be deemed in default under this contract, if and to the extent that such party’s performance of this contract is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control or responsibility of the party affected and occurs without its fault or negligence, including, but not limited to the following: acts of God; acts of the public enemy; war; riots; strikes; industry-wide labor disputes; civil disorders; fire; flood; snow; earthquakes; tornadoes or violent winds; hail storms;

lockouts; injunctions-intervention-acts, or failures or refusals to act by government authority; and other similar occurrences beyond the control or responsibility of the party declaring force majeure, which such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring it notifies the other party of the existence of the force majeure, and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with the contract. The party receiving the notice of force majeure may contest the declaration of a force majeure. Force majeure shall not include late deliveries of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, internal labor disputes, or similar occurrences. If either party is delayed at any time by force majeure, the delayed party shall notify the other party in writing of such delay within forty-eight (48) hours.

## C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

### Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s. 2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee\*<sup>1</sup>
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs)

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)]. The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed over sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed over sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

**N.J.A.C. 17:27-1.1 et seq.**  
**CONSTRUCTION CONTRACTS**

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program, may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

**(C) MANDATORY EQUAL EMPLOYMENT OPPORTUNITY LANGUAGE**  
**(D) N.J.S.A. 10:5-31 et seq. (P.L.1975, c.127)**  
**(E) N.J.A.C. 17:27-1.1 et seq.**  
**(F) CONSTRUCTION CONTRACTS-continued**

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

**EXHIBIT B** (Continued)

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and nondiscrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and

trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7. The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the job programs for outreach and training of minorities and women.

**AGREEMENT ADDENDUM**

In the event of conflict between this addendum and the agreement, this addendum shall control:

1. **DISPUTES:** Any references in the agreement to arbitration or to jurisdiction of any court other than the Circuit Court of the county in which the Agency is located are hereby deleted. The parties may agree to nonbinding mediation prior to litigation.
2. **HOLD HARMLESS:** Any clause requiring the Agency to indemnify or hold harmless any party is hereby deleted in its entirety.
3. **GOVERNING LAW:** The agreement shall be governed by the laws of the State of West Virginia. This provision replaces any references to any other State's governing law.
4. **TAXES:** Provisions in the agreement requiring the Agency to pay taxes are deleted. As a political subdivision of the State of West Virginia, the Agency is generally exempt from Federal, State, and local taxes and will not pay taxes for any Vendor including individuals, nor will the Agency file any tax returns or reports on behalf of Vendor or any other party.
5. **PAYMENT:** Any references to prepayment are deleted. Fees for software licenses, subscriptions, or maintenance are payable annually in advance. Payment for services will be in arrears.
6. **INTEREST:** Any provision for interest or charges on late payments is deleted. The Agency has no statutory authority to pay interest or late fees.
7. **NO WAIVER:** Any language in the agreement requiring the Agency to waive any rights, claims or defenses is hereby deleted.
8. **FISCAL YEAR FUNDING:** Service performed under the agreement may be continued in succeeding fiscal years for the term of the agreement, contingent upon funds being appropriated by the Legislature or otherwise being available for this service. In the event funds are not appropriated or otherwise available for this service, the agreement shall terminate without penalty on June 30. After that date, the agreement becomes of no effect and is null and void. However, the Agency agrees to use its best efforts to have the amounts contemplated under the agreement included in its budget. Non-appropriation or non-funding shall not be considered an event of default.
9. **STATUTE OF LIMITATION:** Any clauses limiting the time in which the Agency may bring suit against the Vendor, lessor, individual, or any other party are deleted.
10. **SIMILAR SERVICES:** Any provisions limiting the Agency's right to obtain similar services or equipment in the event of default or non-funding during the term of the agreement are hereby deleted.
11. **ATTORNEY FEES:** The Agency recognizes an obligation to pay attorney's fees or costs only when assessed by a court of competent jurisdiction. Any other provision is invalid and considered null and void.
12. **ASSIGNMENT:** Notwithstanding any clause to the contrary, the Agency reserves the right to assign the agreement to a State agency or another local governmental agency, board or commission of the State of West Virginia upon thirty (30) days written notice to the Vendor and Vendor shall obtain the written consent of Agency prior to assigning the agreement.
13. **LIMITATION OF LIABILITY:** The Agency, as a political subdivision of the State, cannot agree to assume the potential liability of a Vendor. Accordingly, any provision limiting the Vendor's liability for direct damages to a certain dollar amount or to the amount of the agreement is hereby deleted. Limitations on special, incidental or consequential damages are acceptable. In addition, any limitation is null and void to the extent that it precludes any action for injury to persons or for damages to personal property.
14. **RIGHT TO TERMINATE:** Agency shall have the right to terminate the agreement upon thirty (30) days written notice to Vendor. Agency agrees to pay Vendor for services rendered or goods received prior to the effective date of termination. In such event, the Agency will not be entitled to a refund of any software license, subscription or maintenance fees paid.
15. **TERMINATION CHARGES:** Any provision requiring the Agency to pay a fixed amount or liquidated damages upon termination of the agreement is hereby deleted. The Agency may only agree to reimburse a Vendor for actual costs incurred or losses sustained during the current fiscal year due to wrongful termination by the Agency prior to the end of any current agreement term.
16. **RENEWAL:** Any reference to automatic renewal is hereby deleted. The agreement may be renewed only upon mutual written agreement of the parties.
17. **INSURANCE:** Any provision requiring the Agency to purchase insurance for Vendor's property is deleted. The Agency is insured through the Board of Risk and Insurance Management and will provide a certificate of property insurance upon request.
18. **RIGHT TO NOTICE:** Any provision for repossession of equipment without notice is hereby deleted. However, the Agency does recognize a right of repossession with notice.
19. **ACCELERATION:** Any reference to acceleration of payments in the event of default or non-funding is hereby deleted.
20. **CONFIDENTIALITY:** Any provision regarding confidentiality of the terms and conditions of the agreement is hereby deleted. Governmental contracts are public records under the West Virginia Freedom of Information Act.
21. **AMENDMENTS:** All amendments, modifications, alterations or changes to the agreement shall be in writing and signed by both parties. No amendment, modification, alteration or change may be made to this addendum without the express written approval of the Agency.
